We wish all of our mums, step-mums, special ladies, grandmothers and pseudo mums a most wonderful day on Sunday. We also think of those resting in heaven above who can't be here with us but relish in our memories with them. Have a restful day, the sun is expected out so do your best to get out and enjoy it and make some special memories.

SCHOOL ASSEMBLIES - TERM 2

Assemblies Term 2: Assembly times will continue in the mornings starting at 9am.

Friday 9th May is Whole School assembly dedicated to Mother's day.

Sponsored by Team Kids, Dion from Blind Beans will be on-site during Friday's assembly to provide mums with a hot drink to enjoy. For all your mobile coffee needs, please contact Dion 0403 753 946

Thank you to the members of our KP Group and the many parent helpers at today's Mother's day stall. Without you all, today's event would not have been possible!

POSITIVE SHOUT-OUTS - WHAT ARE THEY?

Have you received a notification for a positive shout-out? Keep an eye out as these are now coming to you live once teachers place them on Sentral.

When your child receives a positive shout-out, this also means they have been placed on the assembly wheel and have the chance to win a prize.

Many parents have been at assembly and seen the reactions of our Kingsley Kids when the wheels are on, now you can see how they get their names up there.

You can also see in your child's history on Sentral all the past shout-outs they have received but we are so pleased to be the first school that has worked with Sentral to make these live to parents. Keep an eye out, there are lots being written up daily.

PARENT SURVEY ON OUR BEHAVIOUR FRAMEWORK

Thank you to the many parents/families who have completed our survey. This is great feedback so far and has strongly aligned with the thoughts of our staff. As always, there is never a box fits all and each incident will be sorted and discussed on the information provided and circumstances. If you would like to add your input, there is still time. Please complete this by Tuesday 14th May at <https://forms.gle/cLei9h1bqUTp4nmo8>

ANZAC DAY REFLECTION

From a Kingsley Parent, Remy

There isn't a strong history of serving in the military in our family, so I'm not sure where my strong desire to serve came from. I never met my great grandfather who served in WW2 as he passed before I was born. But I knew in Yr 10 I wanted to join the Navy- much to my parents disapproval! I wanted to experience serving and protecting our country as a young person so I was enlisted in the R.A.N. (Royal Australian Navy) from 2001-2007 as a Combat Systems Operator, where I spent several years at sea on H.M.A.S.'s Adelaide and Canberra (both frigates are now decommissioned and dive wrecks). I was involved with Border Protection Operations which earned us a medal.

Life as a sailor is extremely challenging and unique, but the life skills, camaraderie, discipline and hard working ethos gained was second to none. I also got to see many parts of the world while we practiced war exercises with other countries.

For me, ANZAC Day fills me with a huge sense of pride being able to wear my medals and march to honour those who came before and after us. My boys are really eager and proud to carry on our ANZAC spirit, honour and participate in commemorations and not let those who fought and died protecting us be forgotten. Brodie hopes to go on and become a pilot in the military when he is old enough- something I will be extremely proud of for sure!

Well done to our school community in raising just over \$3000 with the Easter Raffle and Hot Cross Bun sales! Amazing outcome!!

PIRATE PREPS

The preps had a fantastic time learning the letter /h/ by making their very own pirate hats. After carefully crafting and decorating their hats, they proudly wore them and transformed into a crew of adventurous pirates! They embarked on a treasure hunt around Kingsley Park, practising their Maths positional language to guide their way. They searched behind buildings, under tunnels, next to the soccer pitch, and through the garden, all while learning maths concepts and having heaps of fun with their pirate pals. To their surprise, there was a treasure box (filled with chocolate coins) hiding in the sandpit!

THE KINGSLEY PARENTS GROUP (KPG)

The Kingsley Parents Group (KPG) is a very important group within our community. Interested parents, carers, grandparents and friends try to meet once each month and are always welcoming new friends to join.

The KPG are a communication link between the community as a whole and the school.

The KPG is a social body, bringing together the parents of the school in social activities, to connect and chat and get to know familiar faces.

The KPG has a fundraising role. Under its umbrella comes various fundraising opportunities and activities such as Easter Raffles, Mother's Day and Father's Day stalls and of course the ever popular sausage sizzles!

**Please consider volunteering, because
without you there is no KP Group
..... but with you,
we can all achieve so much!**

2025

Why should I volunteer ?

- It's a great way to meet other parents or catch up with a friend!
- Your child will LOVE seeing you involved at school and as part of all the exciting events we have!
- You will be demonstrating to your child that you value their school, education and community – a key ingredient for student success!
- Great role modelling for your child – there is always time to help out!
- Volunteering is great for your mind and body (google it!) and gives you a warm fuzzy feeling!

Please contact the school office if you would like to know more!
