SCHOOL NEWSLETTER - THURSDAY 18TH DECEMBER 2025

Student reports are available on Sentral now.

Student reports are available on Sentral today. The report is a summary of your child's progress for Semester 2, 2025. The information provided covers a snapshot of your child's semester of learning as shown in their Curriculum Continuum Tracker. Accessing your child's Sentral Continuum Tracker continues to provide you with a clearer picture of their whole school learning progress including areas achieved and areas for future learning. Access the Continuum Tracker in your Parent Portal on Sentral by: Select your child's information in the portal by clicking on web portal and then on the drop down option next to the home icon and selecting your child. Navigate to the "student details" section and select "continuum" section. Here, you can follow the curriculum 'I Can Statements' that your child is working on, has achieved and is yet to be taught. The Continuum Tracker has a traffic light system; - Outcomes in green font show evidence that the student has demonstrated knowledge and understanding of these concepts taught. - Outcomes in amber font demonstrate that students have been taught this content but they are still consolidating their learning of this area. - Outcomes in red font have been taught and students are yet to demonstrate their understanding of these concepts. - Outcomes in black font are areas for future learning yet to be covered.

Free public transport

From 1 January 2026, people aged under 18 can travel free on all Victorian public transport services using a new youth myki card. This includes trams, trains, buses and coach services.

To access free travel, they must tap the myki card on and off each time they travel. For areas that do not use myki cards, they must show their myki card to travel free.

More information about the youth myki card will be available later in Term 4, 2025 – refer to the myki types webpage on the Transport Victoria [website](#).

IMPORTANT : SCHOOL RESUMES FOR ALL CHILDREN ON THURSDAY 29TH JANUARY 2026

CONGRATULATIONS TO THE FOLLOWING STUDENTS WHO RECEIVED OUR SPECIAL AWARDS FOR THE 2025 SCHOOL YEAR

PREP : Lyn Eddey Early Childhood Award (Caitlin C P18)

Caitlin is a kind, positive, and enthusiastic student who has exemplified the qualities of a true Kingsley Kid throughout her first year of school. Her joyous and helpful nature is an asset to every classroom she enters. She is often the first to offer assistance to others, demonstrating genuine empathy and kindness without seeking recognition. Caitlin is a dedicated learner who consistently tries her best in all learning areas and with all teachers. At Kingsley Park, we can always rely on Caitlin to be an excellent role model, both in the classroom and in the yard.

JUNIOR : Heather Booth 'Love of Literacy' Award (Harry G J13)

Harry embodies a true love of literacy in everything she does. She eagerly explores new authors in the library, joyfully shares her latest discoveries, and embraces books that challenge her to grow. Her passion for reading shines just as brightly in her writing, where she brings every word to life with expression, confidence, and a powerful voice. Harry's persuasive writing this term was particularly inspiring, showing her dedication to improving her craft and her openness to feedback. She not only pours her heart into her own work but also uplifts her peers by offering ideas, encouragement and a genuine excitement for learning. It has been an absolute joy to teach Harry this year and to see how beautifully she spreads her love of literacy throughout our classroom.

MIDDLE : The Dunkley Shield Award (Mia M M20)

Miakoda is such a deserving recipient of the Louisa Dunkley Shield Award. She is kind hearted and consistently uses kind words and actions toward others, continually striving for excellence in everything she does including her school attendance. Miakoda shows great enthusiasm for school, works extremely hard, and demonstrates remarkable persistence in her learning. She treats everyone with fairness and respect, offering friendship and support to all. On the soccer field, Miakoda plays with fairness and determination, a strong foot and an even stronger heart. She always displays great sportsmanship, encouraging others and leading by example. We also love hearing her share stories about her family's traditions and cultural celebrations, which reflect her pride, openness, and sense of community. Miakoda's positive attitude, empathy, and exemplary manners make her a truly respected and valued member of our class and school community.

SENIOR : The Emma Saunders C.A.R.E. Award (Holly O S2)

Holly is an amazing Kingsley Park role model demonstrating all of our values, in particular respect and cooperation. She is kind, caring and inclusive of those around her and prioritises fairness and kindness. Holly has a strong moral compass that always leads her to be helpful and supportive of others. Holly is known for responding to others in a diplomatic and genuine way and can always consider different perspectives. She models compassion and empathy and never hesitates to include others and make them feel happy and safe. Holly shows maturity and responsibility beyond her years and can always be relied on to be a kind and caring friend.

**Wishing our Kingsley Park Community a safe and happy holiday
break with your families. We look forward to seeing you all,
and some new faces, in 2026!**

The BIG Summer Read is an annual summer reading campaign for young people aged 0-18. It is a collaborative initiative happening at all public libraries across Victoria, Tasmania, Queensland, South Australia and New South Wales. It has been developed to raise awareness and ensure ALL children have access to the resources they need to maintain literacy skills over the summer school holidays.

It encourages children to read for pleasure and aims to address the 'summer slide'. This refers to the loss of literacy experienced over the long summer break if children are not exposed to books or reading.

The Challenge

- Read on as many days as you can between 1st December 2025 and 31st January 2026. Every 5 days logged counts as one entry into the prize draw. You can read any type of book, including audiobooks, picture books, graphic novels... they all count, as does listening to a book read by someone else, and reading the same book multiple times

The Prizes

- Every entrant who completes at least 5 days of reading between these dates can return their log/display their online completion badge to receive their choice of a BSR tote bag, reusable straw or Croc Charm while stocks last, and a completion certificate, and go into the major prize draw to win:
- Frankston City Libraries: 1st Nintendo Switch 2 Pack, 2nd Frankston Arts Centre Family Show Pass, 3rd QBD Book Pack
- They will automatically be entered into the statewide and national prize draws to win Bluetooth headphones, a Kobo eReader, Zoos Victoria memberships and book packs.

How to Enter

- Be a Frankston City Libraries member
- Register online at <https://readbooks.com.au/bsr>

OR

- Visit your local library branch (Frankston, Seaford or Carrum Downs) to collect a paper log

For 35 years, the Frankston community has come together through the Community Appeal to make sure no one is left behind at Christmas. What began as a small local initiative has grown into a truly remarkable community tradition — one that brings hope, dignity and joy to thousands of local people doing it tough.

This year, they're preparing more than 1,300 festive hamper bags, each filled with nourishing seasonal foods, grocery vouchers and toys for children. These hampers go directly to families, couples and individuals who are struggling with the increasing cost of living and housing pressures. For many, it's the only moment of light in an otherwise challenging time.

The strength of this Appeal has always been the generosity of people in our community. Local businesses, schools, organisations and caring individuals rally together — donating cash, food or toys — to ensure that every bag is packed with kindness and delivered with respect.

As demand grows, so too does the need for community support. This year, more families than ever will be reaching out for help. Any donation can make a real and immediate difference — whether it's a financial contribution, non-perishable festive food, or a gift to bring a child joy on Christmas morning.

Every contribution, large or small, help Frankston Community Appeal create a season of hope. Together, we can make sure our community feels seen, supported and cared for this Christmas.

To donate, please visit www.frankston.net/appeal (click link) or contact us at csf@frankston.net - every gift helps. All monetary donations over \$2 are tax deductible and a receipt will be issued.

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the requirements of the Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
