

Dear Parents/Guardians,

Kingsley Park Primary School is looking forward to a great year of teaching and learning with your Year 2 child. We would like to advise you of financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising, volunteering your time or voluntary contributions. This has made a huge difference to our school and the programs we can offer.

Voluntary contributions in 2026 allows us to:

- Provide high quality programs and specific subject materials and equipment for: English, Mathematics, STEM, Art, Performing Arts, Inquiry Units, Auslan and PE
- Maintain and develop the school grounds and playgrounds
- Ensure the upkeep of our computer devices to enhance learning opportunities
- Maintain sufficient class sets of books for students to develop student reading skills
- Provide hands on maths equipment i.e.: materials for teaching purposes
- Facilitate Literacy and Mathematics online digital subscriptions
- Deliver a range of sporting equipment
- Arrange for individual student supplies and class bulk supplies
- Offer effective First Aid for all students.

All parent payments and financial contributions support the effective functioning and overall objectives of the school and allow us to provide an excellent range of facilities and resources for your children.

Some optional extra-curricular items and activities incur costs through the year such as:

- non-curriculum-based school events
- non-curriculum materials such as school magazines
