Being kind is how
change starts

Please review our [Bullying Policy](#) on our website and our Student Engagement and Wellbeing Policy. These are due for review under our changes to our School wide Positive Behaviour supports and changes. Your feedback is important to us. This can be emailed to the school or discussed with leadership at anytime.

It's only a few days until **Bullying No Way: National week of action – 11 to 15 August 2025!**
BUT.....Bullying is never OK! at anytime!

At Kingsley Park, Bullying is not tolerated and we work hard to stamp it out.

Bullying No Way Week is Australia's key bullying prevention initiative for schools. It provides an opportunity for schools to create a shared understanding about bullying behaviours and share their bullying prevention policies and strategies. The national week of action unites communities across the country. Together, we can foster practical approaches to prevent bullying in Australian schools.

The theme for 2025 is 'Be bold. Be kind. Speak up.' It takes courage to spark change.

Be Bold. Be Kind.
Speak Up.

Bullying is everyone's responsibility. It takes a community to be brave and address bullying behaviours, within and beyond the school gate. We are having a huge focus at present on 'No Put Down's and calling out behaviours.

Students can be bold, kind and take a stand to support others being bullied. Parents and teachers are there to support children and young people learn how to behave in a positive way.

Words Matter

You're so
sensitive

I didn't mean to upset you
— wanna talk about it?

In our community and in our school, we want a place where everyone can belong, a place that celebrates everyone, and where bullying is never accepted.

This Bullying No Way Week, we're asking students, parents, families and community members to be bold and say something, be kind and support someone, and be proud to take a stand against bullying.

Be Safe

Be Respectful

Be a Learner

Not all heroes stand out

Stand up to **STOP**
the mean and nasty words!
Call out those who use them.
Put Downs are
NOT acceptable at anytime.

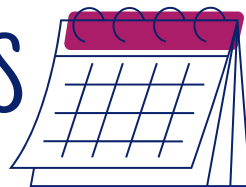

Beat the Bell each day! Arrive before 8.40am
to be ready for learning time to begin.

STUDENT ENGAGEMENT PLAN

..... a restorative approach the Kingsley Way

We believe in working together with parents, teachers, and students to build strong partnerships that support each child's growth, guide positive behaviour and create a respectful and inclusive school community.

Helping students repair relationships, reflect on their actions and to restore a positive learning environments.

CIRCLES

We run regular whole class circles to hear everyone's ideas, share knowledge and feelings.

I'm really proud of the way you are

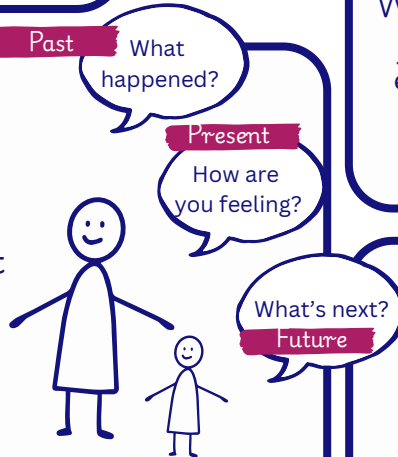

AFFECTIVE STATEMENTS

We use statements with feeling words to help everyone understand the impact of their choices.

It disappoints me to see.....

AFFECTIVE INTERACTIONS

A teacher talks to a student one on one about their behaviour choices. The teacher guides the conversation with past, present, future questions.

P3P3F3

When a social problem arises a teacher or student can lead a P3P3F3 with a small group. A 9 minute conversation to talk about the past for 3 minutes, the present for 3 minutes and the future for 3 minutes. Each person gets a say.

Many Thanks to our school community for helping to make our Sausage sizzle such a success. We were so fortunate to have perfect weather and for it to be Bunnings Bluey weekend!!

A HUGE THANK YOU to;

- The parents who volunteered their time to greet the customers and their families, help cut sausages and onions, cook the BBQ, cook the onions, stack the sliced bread, and serviettes, serve the customers, encourage them to use the QR code, fulfill the orders, keep up the supplies and to smile and thank the customers for their support.
- To the families who donated items we requested
- For the eskies that we borrowed
- To the parents who grabbed extra supplies

Many thanks to the school community who popped in for a sausage. It was so great to see so many families and smiling children's faces.

Special thanks to Lorraine and Leigh for organising the BBQ, being there on the day, packing up and taking the goods home before taking it all back to school on Monday.

We are so pleased to announce that we raised \$2600!

Such a wonderful effort and a great boost to Kingsley's fundraising!!!

Senior News

Senior School students started Term 3 with a trip back in time to Sovereign Hill in Ballarat. The weather gods were on our side, as students explored what life was like in colonial Australia during the Gold Rush in 1851. Students participated in 'Gold Fever' which allowed for role play experiences of miners, gold buyers and troopers to understand the events leading up to the Eureka Rebellion in 1854. Through the 'Eureka Story' educational program students re-created scenes in full costume to learn about the significance of this event on the developing colony in Victoria. Students also explored over 15 hectares visiting many different businesses, panning for gold, two gold mine tours, demonstrations of candle dipping, lolly making, musket firing, gold pouring and having fun with their friends through trivia, movie nights and chatting over meals.
