SCHOOL NEWSLETTER - THURSDAY 19TH JUNE 2025

Brrrrrrrr

Winter is well and truly upon us and the mornings are becoming chilly!! Out in the yard on duty in the mornings it can be extremely cold but I love being out there and seeing many parents and students each day. It has been amazing to see so many trying to beat the bell and be in class ready for learning time. Our late arrivals have really decreased and students are settled for learning time quickly. Of course on the odd occasion families can run late, thank you to those coming through the office to sign in and be walked up to class by staff. Thank you also to our parents for helping us recognise that every minute counts and being out of rooms by 8.45, this has been a huge help.

As Term 2 comes to a close in only two weeks, we remind parents that this is an important Reporting term. While teachers are continuously assessing students over the term to plan for differentiated learning, Term 2 is also an opportunity to look at the growth that has occurred over the last six months from December and what is yet to be achieved before the year ends. An indication of how your child is progressing will be clearly seen on the graph in the report indicating their progress. It is however equally important to look at growth in the context of the Effort your child has demonstrated in their learning areas.

In readiness for Semester 1 reports being available in the last week, next week Student Led Conferences are being held. We strongly encourage all parents, (except for those who have had SSGs already) to attend a meeting with their child. Not only do teachers spend time assessing, evaluating and writing reports, but students also take time to reflect on their learning achievements and goals as they prepare to take a leading role during the Conference.

It is our belief that through active involvement, students take greater ownership and responsibility for their learning efforts. Further to this, the Conferences acknowledge that learning is the shared responsibility of students, parents and teachers.

We hope your child enjoys their time reflecting on their semester, sharing their progress with you and feels positive about their achievements. Please note that Specialist staff will be available in the library on Wednesday evening to allow parents to have a chat with them in the areas of PE, Visual or Performing Arts and Auslan with the staff. We look forward to seeing you then.

However, the credit will not be available on your family account at our school until early August. This means you will need to pay for school activities during July/early August if you don't allocate your SSB funds.

To use any remaining SSB funds to cover the cost of school activities in July, please refer to the [SSB online system](#) and allocate the funds to school activities before 30 June 2025.

Draft Policies for parent feedback:

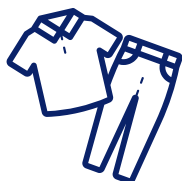

We currently have two new school policies for parent review and feedback:

Student Uniform Policy & Complaints Policy.

These can be found on our school website. Please review them and send any feedback to kingsley.park.ps@education.vic.gov.au by the end of June so they can be finalised.

SCHOOL UNIFORM

Thank you for helping to ensure your children learn the importance of wearing the correct school uniform particularly during these colder days.

A school uniform removes the sense of competition in dress, which can often cause stress amongst students and in addition, has the important safety factor of making Kingsley Park Primary children instantly recognisable.

If your child is out of uniform, we will check in with parents as we are noting that for some children, this is a choice and parents are not aware.

As the weather continues to cool down, we begin to see more varied coloured hoodies. Please note that hoodies are not to be worn to school. Students may wear a school coloured beanie which are available through our uniform suppliers, alternatively, a plain navy blue one is fine.

If you require some assistance in accessing a uniform, please see us at the Office as we are more than happy to help you out so that your children have a strong sense of belonging to the Kingsley Park community.

Don't forget that we now have navy blue puffer jackets available in our uniform range.

Our uniform range can be found on our website at <https://www.kingsleypark.vic.edu.au/page/218/School-Uniform>

DISTRICT CROSS COUNTRY

Well done to all the students who represented our school at District Cross Country.

Do NOT come to our school!

S2 entered a writing competition called "Do NOT come to our school". In 50 words or less they had to tell Andy Lee why he definitely should NOT come to our school. Here were some of their entries:

I absolutely BEG you to NEVER EVER EVER come to our school. The teachers flick toenail clippings into kids eyes if you get an answer wrong in Maths and our principal is a demon and all the staff worship her! All newcomers are forced to worship her and she HATES authors! - By Zoe V

Awesome Andy, I'm trying to help you here. Follow my words carefully. DO. NOT. COME. You'll regret it. Every time a book writer comes to our school, the Principal makes them eat GARBAGE and drink TOILET WATER!!!! Mark my words please. DO NOT VISIT OUR SCHOOL! TRUST ME!!! - By Georgia G

Andy!! You know what I'm gonna say... DO NOT DARE TO COME NEAR OUR SCHOOL! Our teachers lure little children in and turn them into slaves! If I get caught writing this, I may be eaten by the rotten teachers! If you don't see me you know what happened. - By Kai S

ANDY, DO NOT COME TO KINGSLEY PARK! IT'S SMEARED WITH FISH AND HASN'T BEEN CLEANED SINCE... 1988! EVERY TIME WE HAVE A GUEST, THE PRINCIPAL BRAINWASHES THEM INTO BEING HER SLAVES! STUDENTS ARE ZOMBIES, THEY ATE HAMISH WHEN HE CAME! EVEN WIZZ IS SCARED OF THIS BIOHAZARD! - BY ALEX C

Andy, don't come—last time Hamish Blake visited, he swapped chairs for whoopee cushions, set off fire alarms, challenged the principal in a dance-off (and won), he convinced us we were on Gap Year! It's been months. Half the teachers are in Bali. We're still waiting for the credits to roll. - By Drew B

PREP

PREPS:

The Preps have been 'hot to trot' learning different dances this term. We have learnt a couple of folk dances, a hip hop dance, discovered how to mimic Australian animals in dances, told stories through dance and much more. It has been wonderful to see them show persistence to learn dance sequences and see how they can use them in their own dances.

Here are some students performing a hip hop dance, using neck movements, the criss cross bounce, shopping trolley move and ending with a final stance.

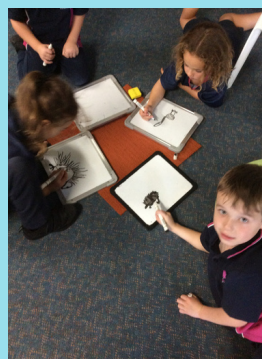

([P16 - Abigail, Maggie, Zava, Logan](#)) [Emilia, Isla, Elara, Ted - P17](#))

[P18 - Hip hop](#)

During Reconciliation week, we focused our session on how indigenous people tell stories about Australian animals through dance. We looked at how they mimic Australian animals such as the kangaroo, echidna and emu. Here we have some students' drawings of these animals, after watching a video clip about this.

Preps learned two folk dances, this term. One was from Denmark and the other from Russia. After we had learnt both dances we looked at the similarities and differences between the 2, and discussed which one we preferred. Most Preps liked the Russian folk dance, so here is a snippet of what they learnt when they performed this dance.

JUNIORS

MRS STODDEN

JUNIORS:

This term, Junior students have been focusing on dance elements such as shape, space and pathways. They have looked at how to incorporate them in their own dances as well as identify them in choreography they have learnt in class. The Year 2 students were fortunate enough to have the Sydney dance company come and do a contemporary workshop with them, where they learnt how the dancers peg words to their movements to help them remember their dance sequence.

Here are some of the things that they explored during their incursion;

Postcards - using their body to make shapes to create a freeze from a postcard - eg at the beach, on a rollercoaster, in the classroom etc.

Back in the classroom, the Year one students were able to also learn the dance and did a great job of telling the story about the fruit thief.

Junior students explored other types of dances throughout the term such as polka, hip hop, step touch, contemporary and an indigenous dance.

Department of Education Policy Updates

Racism

The Department of Education announced a new stand-alone racism policy on 3 June. This new policy is designed to help schools take actions to prevent and address racism, religious intolerance and racial and religious vilification.

In our recent Student Attitudes to School survey data, it was pleasing to see that many students felt this was not an problem here at Kingsley Park and more so that if they experienced racism, they knew who to report it to and felt safe it would be dealt with.

All Victorian government schools must implement this policy from the start of Term 3, 2025.

In line with Child Safe Standard 1 and Child Safe Standard 5, all Victorian government schools must actively prevent and respond to racism and report incidents to the department.

The policy covers 3 key actions:

- Preventing racism: schools must maintain culturally safe and inclusive environments.
- Responding to racism: schools must have clear, timely, safe and inclusive processes to respond to incidents of racism.
- Reporting racism: schools must report incidents of racism on eduSafe Plus, as per the Managing and Reporting School Incidents (Including Emergencies) policy.

In our recent Student Attitudes to School survey data, it was pleasing to see that many students felt this was not an problem here at Kingsley Park and more so that if they experienced racism, they knew who to report it to and felt safe it would be dealt with.

Suspension and expulsion

You may be aware of recent changes announced in the media to suspension and expulsion powers that will be available to Victorian principals from day one of Term 3, (Monday 21 July 2025). We know that students' behaviour outside of school, particularly online, can sometimes impact the safety of students and staff at school.

In exceptional circumstances, principals of Victorian government schools will be able suspend or expel students for behaviour that occurs outside of school grounds and/or hours including online, if it poses a significant danger to the safety and wellbeing of students or staff. These powers apply only to serious incidents where there is a clear and close connection to the school and the behaviour of a student outside of school unreasonably impacts the safety and wellbeing of students or staff at school, and their ability to learn or work. Please note: They do not apply to behaviours unrelated to the school or school community. They only apply to behaviour which occurs from Monday 21 July 2025 onwards.

Suspension and expulsion will remain measures of last resort – our Kingsley way continues to focus on proactive and positive behaviour support, including working with you to teach students the behaviours we expect of them, in school and in life. We strongly focus on our 3 key expectations; Be Safe, Be Respectful, Be a Learner and are working our way through Minor and Major behaviours and what the consequences look like. We hope you have been keeping up to date with our evolving processes and procedures over the term. We are here to work with families to get the best for all of our students here at Kingsley Park. Don't forget feedback is warmly welcomed and encouraged via email to the school.

Kingsley Park PS is working towards a school wide positive behaviour framework that involves the establishment of a Continuum of Behaviour Support that considers all students and emphasises prevention.

Kingsley Park has devised, after receiving parent feedback, an understanding of Major and Minor behaviours and behaviour steps that are used to manage them and the outcomes.

Whilst we acknowledge that all situations are different and some students may have a diagnosis and do not have intent behind their behaviours, it is expected that parents and the school work together to understand and reduce these behaviours and the impact they have on others.

We recognise that all students can learn expectations and behaviours, some may take longer to learn them but most thrive with boundaries and routines.

A school information book is currently underway to provide parents with a clear picture of what this looks like. Thank you to those who have sent in valuable thoughts and feedback.

Making Kingsley better and safer for all.

What is a P3, P3, F3 you may ask?

Your child may have come home and said, today there was a problem and we did a P3, P3, F3!

3 minutes on each is all it takes. A Fair Process, to navigate;

Past, what is the conflict/problem? **Present**, how does everyone feel? And **Future**, how can this conflict/problem be repaired?

Trust the process and before long, kids do it themselves. Read more at

Statewide Art Competition for Young Creatives – Win a Spot at Camp!

The Portsea Camp is calling on school students across Victoria to enter a special art competition as part of our 2025 Creative Camp.

Theme:

“Inner Landscapes – Exploring Mindfulness and Wellbeing”

We're inviting kids and teens to explore how they experience emotions, calm, resilience and growth—through sculpture, installation, or mixed-media art. Any medium welcome!

- Open to Primary and Secondary students
- Selected pieces will be featured at our Art Expo on Thursday 11 July
- Winning students will be awarded a place at our 2025 Creative Camp in the July holidays
- Entries close 5pm, 13 June

Each piece will be displayed with a short artist statement explaining how it connects to the theme. Let students' voices and creativity shine.

How to Enter:

- Post your piece to: The Portsea Camp
- OR email a photo of the student holding their piece, with their name, school, parent/carer contact and a brief description of inspiration, to Damon: mad@theportseacamp.com.au

Questions? Reach out at mad@theportseacamp.com.au or give us a call! This is a fantastic opportunity for creative kids and teens to have their work seen and to join a unique school holiday experience designed just for young artists.
