

Kingsley Park Primary School

Respect ~ Excellence ~ Resilience ~ Co-Operation ~ Community

SCHOOL NEWSLETTER - THURSDAY 20TH MARCH 2025

Please take note that
**Friday 4 April is the last day
of Term One, students will be
dismissed at 2:30pm.**

Honouring Our ANZACs

Support The ANZAC Day Appeal

As ANZAC Day approaches, our school is proud to support the ANZAC Day Appeal, an important initiative that raises funds to assist veterans and their families. By purchasing an ANZAC badge or making a donation, you are helping those who have served our country and ensuring they receive the care and support they deserve. We encourage our school community to get involved by supporting this appeal and taking a moment to reflect on the sacrifices made by our servicemen and women. Badges will be available for purchase at the front Office from next week until Friday 4 April. Our annual school ANZAC Day service will be held on Thursday 24th April here at the school beginning at 10am. We hope you can join us.

Be Safe

Be Respectful

Be a Learner

Arrive on time for learning time: Please remember, **learning time begins at 8.45am sharp**. Literacy is first up and we don't want our students missing important learning time.
Please do your best to have your child in their classroom from 8.35am which is settling in and organisation time.
Please ensure all parents/carers have left the classroom by 8.45am for learning to begin. Teachers cannot have conversations beyond this time as they are busy supervising students and running learning sessions.

Harmony Day

Tomorrow we are celebrating Harmony Day. Everyone is encouraged to wear a traditional/cultural dress or a touch of orange to represent the colour of harmony. Students will be sharing their Family Suitcase with their class and discussing their family traditions.

Easter Raffle and Bonnet Parade

Thank you to all the families supporting our East Raffle with donations and purchase of tickets. We have had a great response of donations are still seeking more. The more we get, the more prizes we can offer. We like to have 3 prizes per classroom and at least 3 major raffle prizes whole school. Donations for the Easter raffle, can include chocolate eggs or Easter themed products. Please drop your donations into the Office. The raffle will be drawn at our final term assembly on Friday 4 April from 9:00am.

NAPLAN

National Assessment Program - Literacy and Numeracy

Last week our grade three and five students commenced the National Assessment Program-Literacy and Numeracy (NAPLAN). This assessment is an everyday part of the school calendar. NAPLAN tests skills in Literacy and Numeracy that are developed over time through the school curriculum such as reading, writing, spelling and numeracy.

NAPLAN is made up of online tests in the four areas of: • Reading • Writing • Language Conventions (spelling, grammar & punctuation) • Numeracy.

I am confident that our students have given their best effort with these assessments. These tests will give us some information about each students learning and will be part of our triangulation of data that informs our assessments of student learning. There are also many things that can't be measured on a test, such as persistence, social skills, behaviours, leadership and creativity! These assessments just add to the big picture of every child.

Well done to our students who were calm, the majority arrived on time which was fabulous and we had very few absences which certainly assisted. Thank you parents for helping us to support your child to do their best.

IMPORTANT DATES

TERM 1

Friday 21st March

Whole School Assembly 9am
Harmony Day

Monday 24th March

Bike Ed - Seniors - Community ride

Tuesday 25th March

SIBLING ENROLMENTS

We are enrolling our siblings now for Prep 2026

We ask all families who have a child starting Prep in 2026 to complete an enrolment form as soon as possible and hand it to the office for processing.

We are receiving new family enquiries already, and want to ensure our current families are enrolled as soon as we can.

Please ring the office on 9789 0077 if you have any queries about enrolment. Your dates can be found on the last page of this newsletter on our Prep 2026 flyer.

**Late Arrival
Early Release**

LATE ARRIVAL & EARLY LEAVE

Students arriving to school after 8.45am must be signed in by a parent/guardian via the school office. Any student arriving to school late without a parent will be marked as an unexplained lateness on their attendance record.

All absences require a valid explanation from parents/guardians.

Tuesday 25th March - 2:30pm - In the library.

Thank you to those parents who have expressed an interest in being involved with the KP Group 2025.

Our first meeting will be held next Tuesday, 25th March, in the library. We hope many of you can join us.

 LUNCHTIME ACTIVITIES TERM 1 2025

STATE SCHOOLS' RELIEF

Glasses for Kids

At Kingsley Park Primary School, we are proud to partner with State Schools Relief and the Glasses for Kids program to support our students and families. Access to quality, affordable uniforms and essential vision care ensures that every child has the opportunity to thrive. Thank you, SSR & GFK, for making a real difference in our school community!

Easter Raffle & Hot Cross Bun Reminders

PLEASE SUPPORT OUR SCHOOL

EASTER RAFFLE DONATIONS NEEDED

To make this raffle a success we require the support of our families to donate an Easter treat for our prizes. (Chocolate, lollies, toys, activities - anything Easter related will do!) There are no special requirements here, just pick something and send it along to school. We have a collection basket at the office. Thank you for your support.

EASTER RAFFLE INFORMATION

Tickets for the 2025 Easter Raffle are available via the QKR App. Tickets are \$1 each and there is no purchase limit!

How to purchase tickets?
Purchasing your raffle tickets via the QKR App is easy! Please select 'Easter Raffle' under 'School Events', select the number of tickets required, add to cart and your purchase is complete. (Remember if you'd like more than one child in the draw, to select a profile for each child - just like a lunch order)

Easter prizes are allocated for each grade - so every ticket you purchase will go directly into the draw for your child's specific grade!

When does the raffle close?
Tickets are available via the QKR App until 9am on Wednesday 2nd April

When is the raffle drawn?
The classroom raffles will be drawn on Thursday 3rd April, so please ensure that your raffle ticket purchase via the QKR App has been completed by 9am on Wednesday 2nd April.

Major Prize Draw
On Friday 4th April all tickets go into a draw to win one of 3 grand prizes, which will be selected at assembly.

Good luck and thank you for supporting KPPS Easter Raffle and our 2025 fundraising efforts!

Please note: If you do not have access to the QKR App, or would prefer to have raffle tickets sent home, this can be done by contacting the school office on 97890077.

HOT CROSS BUNS & DRINK MORNING TEA

THURSDAY 3RD APRIL

HOT CROSS BUN DEAL

To be delivered and enjoyed at snack eating time

Orders are now open via the QKR App

1 x Fruit, Chocolate or Plain Hot Cross Bun with a choice of Apple/Apple & Blackcurrant or Orange juice \$4.50

Additional buns can be ordered via QKR for \$2 each

Please order via the QKR App by 9am on Thursday 27th March. We are unable to accept any late orders due to supplier requirements.

Thank you Brumby's Towerhill!

PREMIERS' READING CHALLENGE

The Premiers' Reading Challenge is open for 2025 and runs until the 5th of September.

During the Premiers' Reading Challenge students are encouraged to read 30 books to receive their certificate. Students in Prep - 2 will be reading challenge books as a class and these will be added by their class teacher. Students in Years 3-6 will receive a login; they can add their own books and teachers will also add any books read as a class.

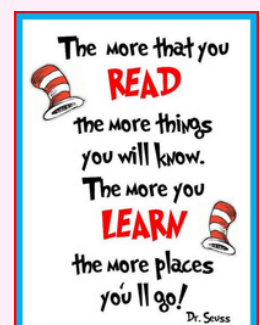

HAPPY READING!

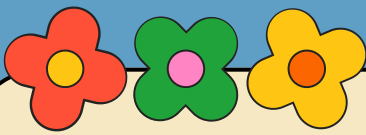

Your child will receive their challenge user name and password before the end of term. This should be kept in their school diary / Book Bag.

Most books can be found in our school library or in Reading Eggs or on Epic. The below link provides a long list of challenge books to choose from

<https://vprc.eduweb.vic.gov.au/searchbooklist>

We hope to see lots of students take part in the Premiers' reading Challenge and continue their love of reading and achievement in reading.

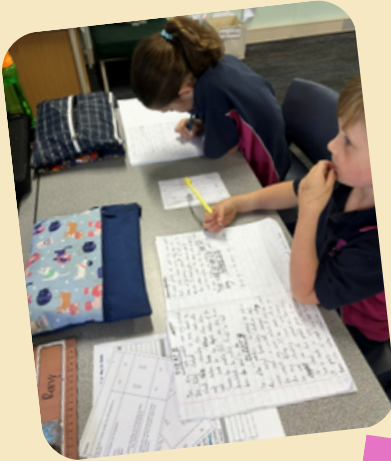

YEAR 4

Our Year 4 students have been working hard this term, crafting engaging narratives and refining their writing skills. They have focused on uplevelling their language. In addition, students have been practising writing dialogue using correct punctuation to show speech.

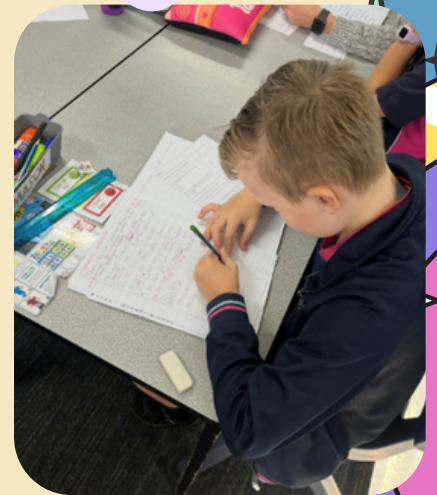

"Ugh!" said Josh as he lay down in boredom on the cold, hard marble floor.
James M20

"Would you like a ride on our broom?" the witches cackled loudly with a smile.
Josh M23

"Mwahaha!" cackled the evil lady as she brewed a weird potion.
Isobel M22.

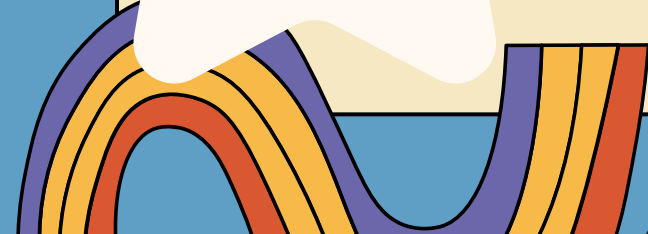

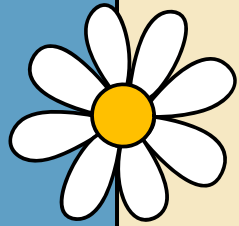

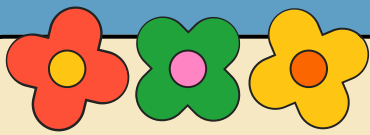

"Mmm! Smells like buttery goodness," exclaimed Amber joyfully, placing the butter cake on the wooden table.
Adelaide M20

"Come back here, you overgrown tadpole!" yelled the witch as she ran towards the frog.
Marshall M22.

Screech! went the swing as the howling wind pushed it forward angrily.
Aliyah M23

YEAR 4

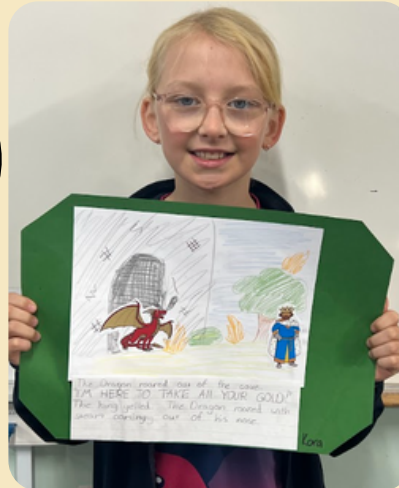

Millie and Sophie M23

I enjoyed drawing my setting and writing what my characters said.

Cooper M23

It was fun creating our own mini story and writing dialogue for our characters.

Kora M20

We have been working hard to develop our understanding of place value, including renaming and rounding numbers to the nearest 10, 100 and 1 000.

Number:	Renamed number:		
	Thousands, hundreds, tens, ones	Hundreds, tens, ones	Tens, ones
34 276	34th, 2h, 7t, 6o	342h, 7t, 6o	3427t, 6o
21 890	21th, 8h, 9t, 0o	218h, 9t, 0o	2189t, 0o
45 237	45th, 2h, 3t, 7o	452h, 3t, 7o	4523t, 7o
65 085	65th, 0h, 8t, 5o	650h, 8t, 5o	6508t, 5o
87 104	87th, 1h, 0t, 4o	871h, 0t, 4o	8710t, 4o
10 512	10th, 5h, 1t, 2o	105h, 1t, 2o	1051t, 2o

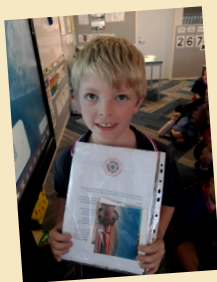

YEAR 3

Darcy (M6) learned a great deal about the different food groups in this sorting activity. Looks great Darcy!!

SURPRISE!! We really enjoyed making these wonderful 'egg invitations' to our parents, for our upcoming Easter Bonnet Parade. Great job Michaela (M6)!

In the lead up to Harmony Day, Hunta (M6) gave us a fascinating show and tell about his Papa, who served in the Royal Australian Navy!

Year 3 students have been participating in some incredible learning experiences. Some of these have included creating sentences with different types of verbs- object, sensory, thought, emotion, voice and movement.

Here are some examples:

OBJECT: The table burned in the fire. By Isaac M5

SENSORY: I am going to eat this chicken. By Ciarra M5

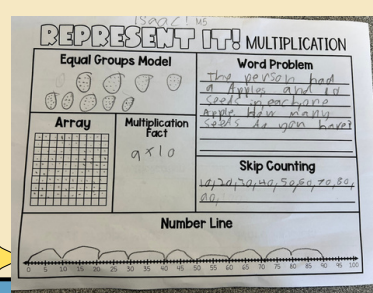

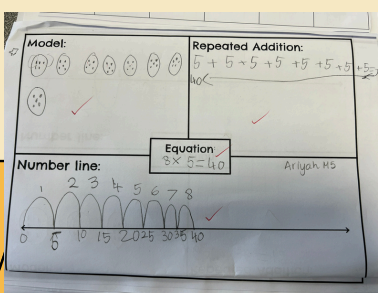

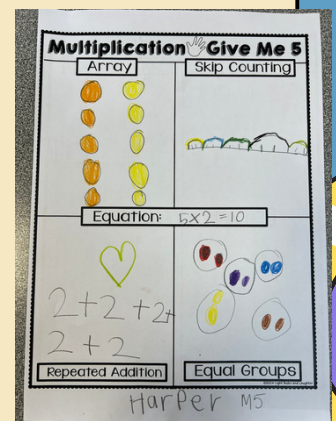

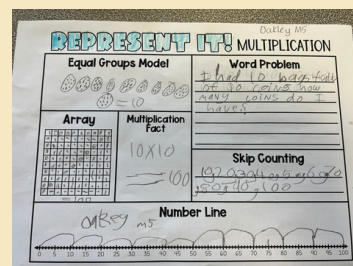

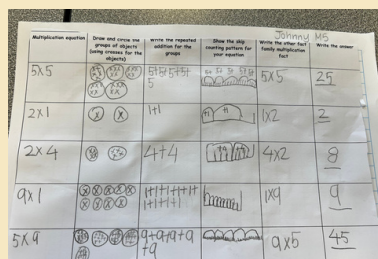

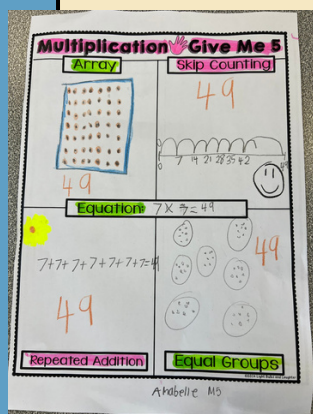

THOUGHT: Harper dreams of seeing Billie Eilish. By Ava M5

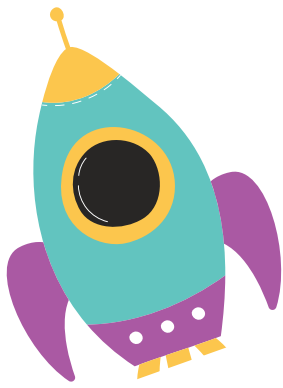

EMOTION: He was smiling at my sentence. By Charlie B M5

VOICE: She whistled a song at assembly. By Nashami M5

MOVEMENT: At my dance, I dropped my club. By Anabelle M5

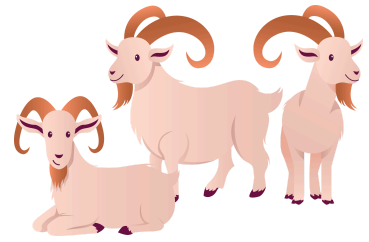

Our students have also been investigating multiplication and building their understanding of how it can be represented as groups, an array, repeated addition and skip counting. They have also created some terrific 'think' boards to show their thinking.

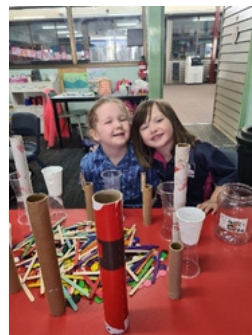

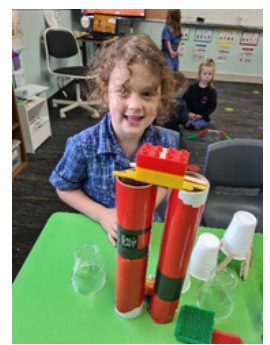

FOUNDATION STEM

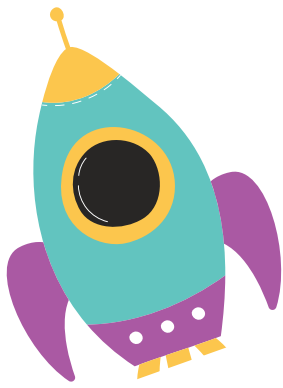

MRS FILLIS

This term our Foundation students have been using their engineering skills to pose questions, make predictions, solve problems, think critically and make decisions while constructing different structures from fairy tales. They have been using everyday materials such as cups, icy-pole sticks, pegs, Lego, cardboard tubes, straws etc. to build towers, bridges and the 3 Little Pigs' houses. We even had a visit from the Big Bad Wolf (a hairdryer with a wolf mask) who tried to blow down their houses! The squeals of excitement when the wolf tried to blow down their houses was delightful. We will be making a trap to catch that cheeky Gingerbread Man this week.

BRIDGES FOR THE 3 BILLY GOATS GRUFF

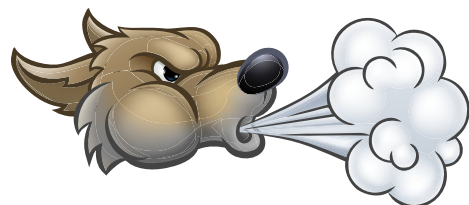

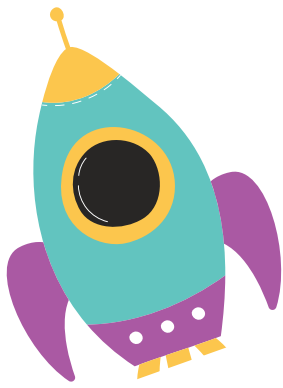

FOUNDATION STEM

MRS FILLIS

**3 LITTLE PIGS HOUSES MADE FROM STRAW,
STICKS AND BRICKS AND OUR VISIT FROM THE BIG BAD WOLF**

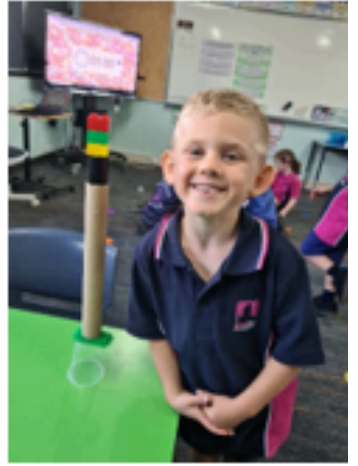

FOUNDATION STEM

MRS FILLIS

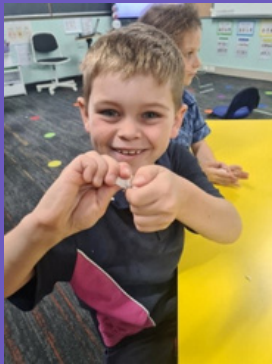

OUR TALL TOWERS

JUNIOR STEM

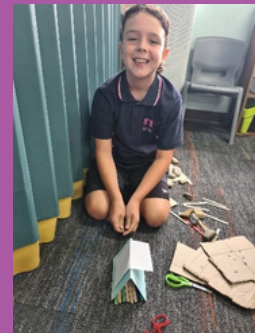

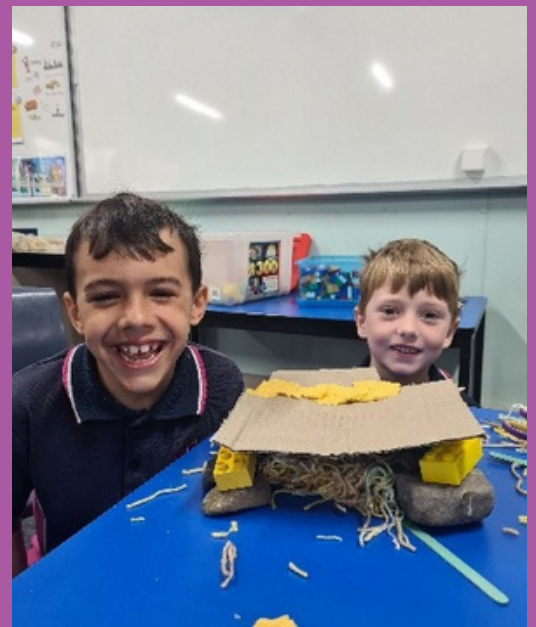

MRS FILLIS

The Year 1 and 2s have been learning about different materials and which of these materials certain objects are made from. They have been investigating if objects can change shape by BENDING, TWISTING, STRETCHING or SQUASHING. They've roved around different stations to discover what they could do with different materials such as foil, wool, tissue, playdough, fabric and paper. This week they also looked at a range of objects such as rocks, icy-pole sticks, straws, monkey noodles, bouncy balls, corks, sponges and hair ties to see if they could recognise what that object was made from and then investigated whether these objects could BEND, STRETCH, TWIST or SQUASH.

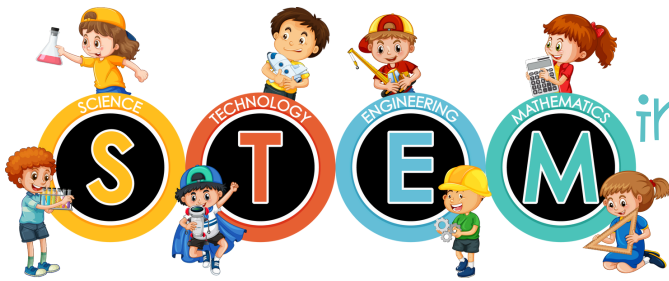

JUNIOR STEM

MRS FILLIS

The Juniors have also been thinking about how the materials used in buildings and shelters are suited to the local environment. We looked at a range of traditional shelters from around the world and then used a variety of materials such as Duplo (instead of bricks), icy-pole sticks (instead of logs of wood), rocks, cardboard, string, etc. As you can see, we had some pretty awesome shelters!

in the Middle School with MS Reed

This term in STEM, our Middle students have become Geologists! They have compared landform areas to explain where the rocks and fossils come from; such as sedimentary, igneous and metamorphic rocks.

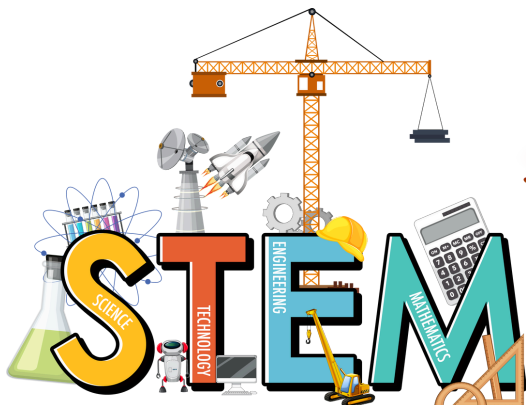

igneous

sedimentary

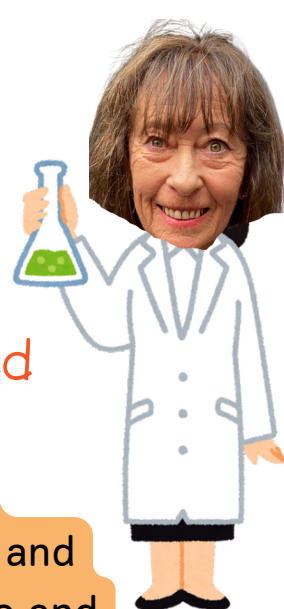

metamorphic

in the Senior School

with MS Reed

This term in STEM, our Senior students have become Volcanologists. They have learned how volcanos are made and how they erupt using a force of energy from the Earth's core and how eruptions impact on the surrounding lands.

KPPS EXPECTATIONS AND BEHAVIOUR RESPONSES

These are the 3 key expectations that we expect all students to follow at all times. Whilst we still have our core school Values of; Excellence, Respect, Resilience, Cooperation and Community these are all encompassed in our 3 key expectations.

Our key focus is on recognising the positive behaviours that we see across the school however, when we see behaviours that go against our expectations, we follow a 5 step process.

Steps that are followed that include;

Remind – a quick positive reminder of the behaviours we like to see; RESTATE– restate the behaviours expected if they continue to occur; RELOCATE – this may include relocating to a different space within the room while a child thinks about their behaviours, even moving tables to cease the chatter between friends; REMOVE – means the child may need to be moved from the room to regulate, sometimes this is to another room to complete their work or to the office if the behaviours warrant further discussion; REPAIR – this is a restorative conversation between affected parties to repair the relationship and continue the focus on mutual respect.

It is important for parents to be in alignment with our school expectations to help us endorse and promote our values to ensure a positive learning climate for all.

We ask you to read through our Matrix below and provide any feedback or additional thoughts.

	Learning spaces	Corridors	Toilets	Play Spaces	Canteen	ICT	Community
Be Safe 	Walk while inside Leave the classroom neat & tidy Use hand sanitiser Wash hands before eating Pushing in chairs and using them safely Follow instructions Be aware of surroundings Use equipment safely Enter and exit calmly and quietly Keep our hands to ourselves	Walk at all times Keep voices low Keep to the left	Respecting privacy Washing hands Be with a buddy No playing in the toilet spaces	Engage in positive social activities Play safely No tackling Stay within boundaries	Lining up Wait for your turn	Don't share personal information Visit safe sites Keep passwords private Report inappropriate activity to an adult Limit screen time	Use the school crossing. Walk your bikes while on school grounds.
Be Respectful 	Help to pack up and clean up Listen and consider others Put your hand up and wait to speak Speak to others politely Take care of the classroom Inside voice Asking permission Be an upstander Showing patience and taking turns Using kind words and actions Respect others personal space	Be patient Wait for others to come through the door Hold the door for others Use positive and polite language	Respecting privacy Quiet voices Keeping basins tidy Use toilet paper correctly Wait your turn	Include others Look out for others Treat equipment and facilities with care Share spaces Take turns Play fair	Using manners Wait patiently	Use online resources correctly Use devices respectfully Use appropriate language Follow the ICT acceptable agreement	Wear uniform with pride
Be a Learner 	Be on time - Beat the bell Be organised and ready Follow instructions Ask questions Consider the learning needs of others Cooperate with others Have a go Focused listening Embrace the Learning Pit - Do your best Be curious Be resilient when challenged Strive to achieve personal goals	Be aware of others Move promptly to where you need to be	Return to class promptly Wait until after mini lesson.	Care for the environment and put rubbish in the bin Look out for others and assist where needed Use appropriate language	Watch and see how things are run and offer ideas for change

STUDENT AWARDS

WEEK 5

Nikita (M5)

For being a sensational learner, listening and participating at all times so you can always do your very best. You are a wonderful role model!

Eliana W (M6)

For having the courage to power on and stay at school even though she felt unwell. What a trooper!!

Oscar B (M20)

For demonstrating excellence in everything you do. Your kindness, respect and fantastic effort in learning make you a true role model. You are a Kingsley Kid Superstar, keep shining bright!

Indi S (M22)

For being an all-round superstar! You always try your hardest, show kindness to all and are a true Kingsley Kid. Well Done!

Liam W (M23)

For having such a fabulous start to Year 4. You consistently demonstrate our Kingsley Park values and I am so proud of you. Thanks for being a great Kingsley Kid!

Jordy K (S1)

For being a respectful, friendly and supportive member of S1. Thanks for setting a great example. Congratulations Jordy!!!

Holly M (S2)

For her amazingly gruesome narrative, your dedication to "show don't tell" and using the 5 senses left your readers feeling all sorts of emotions! Well done Holly!

Mayeni L (S3)

For being a friendly, hard working and positive member of S3. Well done on making a great start to Year 5!

Violet O (S4)

For being a fantastic representative at the Frankston District Swimming Trials. Awesome individual freestyle, backstroke and team relay swimming performances with pride and enthusiasm.

WEEK 6 – SPECIALIST AWARDS

STEM Harley (M5)

For having an excellent attitude when completing work in STEM. Keep up your fantastic efforts.

STEM Levi M (J9)

For focusing well during Maths Problem Solving and doing his best to solve problems. Keep up with this excellent attitude.

STEM Harry G (J13)

For using different materials to build a spectacular structure in STEM this week. What a superstar!

STEM Gigi D (J9)

For doing a fantastic job investigating how different materials can bend, stretch, twist and squash.

AUSLAN Lincoln (S1)

For demonstrating excellence in learning fingerspelling and animal signs in Auslan.

AUSLAN Lexi B (S3)

For giving it a go and making great progress in Auslan this term. Keep up the fantastic work Lexi!

AUSLAN Evie T (M5)

For giving fingerspelling and animal signs a go in Auslan this week and doing an amazing job!

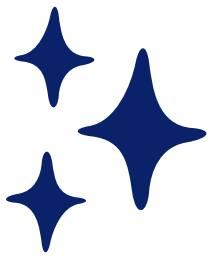

AUSLAN Bille G (M20)

For giving her best effort every week in learning Auslan. Keep up the excellent work Billie!

CHESS CLUB (Ms Reed) Harper D (M23)

for beating Ms Reed in CHESS by working hard to improve her skills. An excellent achievement Harper

STUDENT AWARDS

WEEK 6

Jake R (P16)

For trying so hard to cut out your number craft pieces. You asked for help but gave it a go and realised you could do it by yourself! Well done!

Akira S (P17)

For trying her hardest during our writing sessions. I love how much you tried to stretch out the sounds in the words. Well done Akira!

Elsa T (P18)

For not giving up when cutting out the tricky zig zag shape on your crown. I was so proud of you!

Ryzin M (J8)

Gigi D (J9)

For showing persistence when writing your recount of swimming week. I loved how you took my feedback onboard to improve your writing. I am so proud of you!

Elroy L (J10)

For persisting in our writing recount this week. You worked so hard to spell unfamiliar words and never gave up when faced with challenges. I am so proud of you!

Sersha H (J11)

For making the most of swimming and all learning opportunities at school. You overcome any challenges with your growth mindset. Fabulous effort, Sersha.

Eve J (J12)

For showing wonderful resilience this week and bouncing back after hurting herself. You're so strong, Eve, well done!

Ava C (J13)

For your resilience and dedication during swimming week! You are a great example of hard work and a positive attitude.

Juz VS (M5)

For showing outstanding effort when writing your persuasive text in class. Your growth mindset is amazing!

Sofia R (M20)

For her dedication to learning, especially showing both resilience and persistence during our writing sessions. Keep up the focus and your stellar attitude!

Marshall L (M22)

For settling in so well to grade 4. Your persistence and ability to recognise your emotions during a challenge is incredible. I'm so proud of you!

Abby H (M23)

For always demonstrating persistence and a growth mindset, working hard to overcome challenges with a positive attitude. Your dedication to learning continues to set a great example for everyone. I am so proud of you, Abby!

Matas P (S1)

Your dedication to learning and your resilience in overcoming challenges, both in and out of the classroom, are truly commendable. Well done, Matas! You are an outstanding student!

Koa B (S2)

For your persistence and resilience in Maths. You have worked hard to overcome challenges when adding and subtracting decimals and your hard work has paid off. Well done, superstar!

April C (S3)

For working hard during our persuasive writing sessions this week. Your arguments were awesome! Well done!

Lucas H (S4)

For his persistence, resilience and being able to 'Bounce Back' when completing complex Maths investigations or competitive Blooket challenges. Great attitude, Lucas.

Journey CAMP

7-11 APRIL

REGISTER

Push your limits. Find your potential

Life for today's young people is fast-paced, digital, and often overwhelming. The Portsea Camp Journey Program offers a unique opportunity for kids and teens to unplug, challenge themselves, and develop resilience in a supportive and nature-based environment.

This five-day adventure is designed to push limits, build confidence, and foster real connections. Under the guidance of expert outdoor facilitators, participants will take part in a series of endurance challenges, survival skills training, and teamwork exercises that will leave them feeling empowered, capable, and inspired.

Hike

Bike Ride

Tent
Camping

Trangia
Cooking

Self-care &
Mindfulness

Survival Skills

Why This is a Game-Changer

- Confidence:** Overcome physical and mental challenges, proving personal strength.
- Resilience:** Learn to adapt, stay focused, and push through obstacles.
- Endurance:** Discover the power of perseverance and mental fortitude.
- Connection:** Form lifelong friendships and strengthen teamwork skills.
- Nature:** Experience the benefits of outdoor adventure for mental and emotional well-being.

JUNIOR

8-12yo

A beginner-friendly experience designed to introduce outdoor adventure.

TEEN

13-17yo

A more immersive challenge focusing on endurance, teamwork, and leadership.

Moonlit Sanctuary
the best way to see Aussie animals

AFL PLAY

nab AFL Auskick

GOOD CLEAN FUN

PLAY.AFL/AUSKICK

If you're not familiar with Moonlit Sanctuary, we're a wildlife conservation park in Pearcedale where visitors can see Australia's amazing native animals and learn about their conservation. It's all about helping people connect with wildlife and understand why protecting them is so important.

Our School Holiday Programs are a real highlight. Run by our Education Officers, they're packed with hands-on activities, animal encounters, and loads of fun. Kids get to learn about conservation and how to care for native wildlife in an engaging and interactive way.

Who can attend:
Boys & Girls aged Prep to Year 4

General Information:
We believe in giving children opportunities to do the things they love and enjoy in a supportive and encouraging environment. Our friendly staff are passionate about working with children. They are provided with training on behaviour management techniques, first aid and activity planning/delivery.

What do you need to bring: Appropriate clothing, jacket or sweatshirt, hat, drink bottle and food for morning tea, lunch and afternoon tea.

Food:
Please bring plenty of packed food and drink for morning tea/lunch/afternoon tea. Lunch will be from approximately 12.30pm to 1.30pm each day.

Programme activities:
Programme activities are adapted to suit children of all ages and children may be grouped by age depending on numbers. Programme activities may vary without notice dependent on weather conditions and programme numbers.

Payment details:
Payment is required up-front within 2 hours of your booking. A receipt will be issued when a completed booking is received. All details will be included on the receipt.

Please note:
Every care will be taken to ensure the safety of your child/ren and their property. However, organisers of Kelly Sports accept no liability for any injury sustained to your child/ren or any loss or damage to his/her property whilst on the programme.

THE KINGSLEY PARENTS GROUP (KPG)

The Kingsley Parents Group (KPG) is a very important group within our community. Interested parents, carers, grandparents and friends try to meet once each month and are always welcoming new friends to join.

The KPG are a communication link between the community as a whole and the school.

The KPG is a social body, bringing together the parents of the school in social activities, to connect and chat and get to know familiar faces.

The KPG has a fundraising role. Under its umbrella comes various fundraising opportunities and activities such as Easter Raffles, Mother's Day and Father's Day stalls and of course the ever popular sausage sizzles!

**Please consider volunteering, because
without you there is no KP Group
..... but with you,
we can all achieve so much!**

2025

Why should I volunteer ?

- It's a great way to meet other parents or catch up with a friend!
- Your child will LOVE seeing you involved at school and as part of all the exciting events we have!
- You will be demonstrating to your child that you value their school, education and community – a key ingredient for student success!
- Great role modelling for your child – there is always time to help out!
- Volunteering is great for your mind and body (google it!) and gives you a warm fuzzy feeling!

Please contact the school office if you would like to know more!

Kingsley Park Primary School
