Respect ~ Excellence ~ Resilience ~ Co-Operation ~ Community

SCHOOL NEWSLETTER - THURSDAY 20TH NOVEMBER 2025

THANK YOU!

ART SHOW

A MILLION THANK YOUS!!!

Come and see some of your child's work and hear about their learning goals.

Open classrooms
Friday 5th December
from 2.30pm.

A huge thanks to the families and community members who came to our Art Show last week. It was wonderful to see students proudly sharing their art works.

Thank you to classroom teachers for bringing students through to view the artworks, showing respect and sharing insightful conversations.

To the amazing ES and Specialist team who assisted with huge job of setting up and packing up. Very grateful for the support.

We must also acknowledge the support from the following businesses in supplying items to make our art show happen.

Helena Tong from ResolutionX for the supply of the UV Lights for our glow room & Scott Charlton from Bluline Projects for the supply of the temp fencing.

And to the students, the artists, who worked hard to create their portraits, still life artworks, collages, sculptures and prints, you are the real stars of the show. A wonderful effort!

Lauren Charlton
Visual Arts Specialist

BLULINE

Friday 28th November
Whole School Assembly plus
Banana Smoothie Day! (No toast club)

**Children should bring along a suitable reusable cup for your smoothie with a coin donation please. Arrangements will be made for children with dairy allergies*

This year has had many highlights with lots and lots happening behind the scenes. In Term 1 we had our School Review. These occur every four years in schools and set the School Strategic Plan for the following 4 years after observations, evaluations and recommendations. Alongside this, we had an extra Review, an ISS review due to our low Student Attitudes data showing a disconnect with our students and what we were observing.

Our academic data has been strong for a number of years now. Some changes were made in classroom teaching and learning this year to implement the Victorian Curriculum 2.0 and the Victorian Teaching and Learning Model (VTLM). The review showed that our classrooms are truly magical and are operating well.

In Term 4, the panel met again and were extremely pleased with what they observed. They feel Kingsley Kids are truly the best, they love the way we work, were extremely impressed with the teaching they saw happening and the learning engagement of our students. There was lots to celebrate with many wonderful positives shared.

We have worked hard this year on ensuring the wellbeing of our students and staff. We have our 3 key expectations; Be Safe, Be Respectful, Be a learner for all to follow. These have helped ensure we are maximising learning time by reducing disruptions and interruptions in class and ensuring our students feel connected to school and want to be here.

Minor and Major incidents have been formalised, parents consulted on these additions and kept more informed of behaviours. This has truly helped our students own and be accountable for their learning and behaviour choices and has helped them make better and more informed choices. Many adjustments are made daily for students requiring additional support to ensure they also feel safe, included and cared for.

We have also reduced the number of assemblies being held and introduced Friday Connections with students meeting up with buddy classes for some whole school fun every third Friday. This has been a big hit and Senior Play Leaders have worked in many rooms running School of Play activities. This has certainly paid off with our Student Attitudes to School data placing us in the top 4 schools of our network and one of the highest in the state. This has also helped to improve school attendance as our kids truly want to be here.

Our SRC fundraisers of Zooper Doopers and Popcorn along with the return of school disco's continue to be a big hit and also help to raise funds identified for improvement areas within the school. Well done to our SRCs for all their efforts this year and a big thank you to the KPG helping to support their ideas.

BYOD Device Program - Year 2 students, moving to Year 3

Several families of our Year 2 students, moving to Year 3 in 2026 have contacted us regarding the BYOD Program.

Commencing in 2025, children moving from Year 2 to Year 3 were not invited to purchase a device for our BYOD program. Instead, the school has provided a device for student use at school.

This will continue for our current Year 2 children moving into Year 3 in 2026.

Here's what you need to know:

- The school devices will stay at school and be used during class time.
- Parents won't need to buy a device for their child.
- Information about voluntary payments for using these devices will be shared in Term 4 of each subsequent school year.

We believe this new program initiative has helped reduce stress for families, with no purchase of device required and helping to limit screen time outside of school hours.

Should you have any questions regarding this new initiative, please contact Matt Brand on 97890077 or send an email to kingsley.park.ps@education.vic.gov.au

2026

VOLUNTARY CONTRIBUTIONS

Information regarding the 2026 Voluntary Contribution has been distributed via Sentral recently. These contributions help fulfil the standard curriculum requirements and, through ongoing financial support, allow us to further enhance learning opportunities beyond the mandated curriculum. If you wish to make a contribution, EFT payments are available at the school office, alternatively, payments can be made anytime conveniently via the QKR App.

A payment plan arrangement can also be put in place should a family wish to make a contribution this way.

Any queries can be discussed with our Business Manager, Janine Coe.

Janine is available by phone on 97890077 or email to janine.coe@education.vic.gov.au

Get them out of the way before Christmas. *Early payments are gratefully accepted.*

VICTORIAN GOVERNMENT SCREEN TIME GUIDELINES

Kingsley Park PS will follow new Victorian government guidelines effective 2027, which limit classroom screen time for Years 3-6 to a maximum of 90 minutes per day and have minimal screen use for Prep to Year 2.

This new state-wide policy aims to reduce digital distraction and save families money by having the school provide necessary devices.

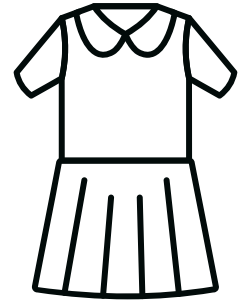

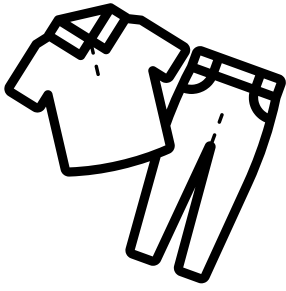

EFFECTIVE 2027

Zooper Doopers & Popcorn

We have a great supply of Zooper Doopers for now, however would appreciate popcorn kernel donations please.

Thank you to our families for the continued support!

Supporting Students Together: A Pricing Update.

At State Schools' Relief, we are proud to operate a unique social enterprise that not only supplies quality school uniforms but also exists with one clear purpose - to support students in need across Victoria. Every item purchased from us helps fund our welfare programs that enable access to high quality educational support for Government school students in need.

As a not-for-profit organisation, we are deeply committed to keeping our prices as affordable as possible. However, like many businesses, we are facing rising operational costs, including increased freight charges and supplier costs. To ensure the continued delivery of quality products and services – while remaining competitive in today's uniform market – we will be implementing a price increase across our product range (excluding school logo items) from 1 December 2025. Please see below items included in the pricing increase.

This adjustment is necessary to ensure the long-term sustainability of our operations. It enables us to:

- Continue delivering quality uniforms at affordable prices
- Cover the rising cost of doing business responsibly
- Reinvest all surplus revenue into welfare programs that support tens of thousands of students each year

When you choose to purchase from SSR, you're doing more than buying a uniform - you're helping a child attend school with dignity and confidence.

Thank you for your ongoing support. Together, we're making education more equitable - one uniform at a time.

Education & Outreach

RSPCA Victoria
Is coming to our school!

We'll discover how animals feel, what they need, and how we can show them kindness every day. ❤️

Together, we'll do fun activities, hear animal stories and learn interesting facts.

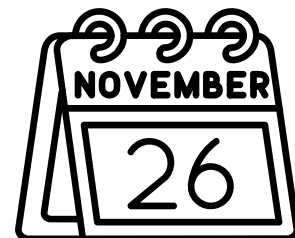

An RSPCA Education Dog may also visit on the day!

Adults please note:
Due to cost-of-living pressures, the RSPCA would like to help it's community members. We offer low-cost health checks, vaccinations and cat desexing along with FREE Healthy Pet Days!

To find out more please visit:
<https://rspcavic.org/current-projects-2/>

PREP RSPCA INCURSION

The focus of the lessons will be interacting safely around dogs, along with:

- **How the RSPCA helps animals.**
- **That animals have needs and feelings just like us.**
- **Why kindness towards animals is important and how we can show kindness.**

The RSPCA Education Dog Indy is on track to be here with us too!

Come dressed in your Christmas finest
Final Assembly for 2025
Year 6 Farewell
Christmas Sing-a-long

Thursday 18th December
Last day of school for 2025
Early dismissal 2:30pm

Term 4 Curriculum Days
(Remaining)

Friday 19th
December

Thursday 18th December
will be the final day of
school for 2025.
Children will be dismissed
at 2:30pm

2026 is fast approaching and transition has started!

It is a very busy time of year, some students are becoming a bit tired and of course a few are anxious about what is ahead for next year.

Whole school transition has started. Some students require a little bit more transitioning than others so will have started with soft transitions, visiting spaces, connecting with new staff, sharing their work with other staff members and working with new ES.

We have now moved into whole school transition including all students. At present, we have fluid groupings moving into new spaces to ensure students know their learning areas for 2026. We also look at who make good learning partners whilst ensuring we have a good mix of ability levels, trying to avoid student clashes and also trying to make all students happy. This is a very lengthy and well thought through process. Given that we only have 2 or 3 classes of each year level, this can be difficult in some instances. We also need to have one composite/multi-age senior class this year of year 5 & 6 students, students for this class have been selected very carefully.

We will put an enormous amount of time and effort into trying to meet the needs of our students, staff and parents, all with the aim of trying to make every student approach their 2026 school year with confidence and enthusiasm. Given the many unknowns at this time of the year, you can help us by building your child/ren's resilience with some positive talk about the importance of developing friendships and working relationships with new people and that 'in life we don't always get what we want'.

With so many factors to consider, to make these grades balanced, we aim to provide your child with at least one nominated friend. If your child is in a grade with more than one nominated friend, then that is good luck and not by design. I would like to thank those parents who refrained from nominating a specific teacher or listing their child's friends and instead gave us guidance as to the type of teacher they believed would best suit their child. This approach makes our job a lot easier. If by chance your child does end up with the 'teacher or friend/s of your choice' then you can consider that pure luck.

Students will find out their 2026 class on our 'meet the teacher' session on Tuesday 9th December.

JUNIORS

Wicked Weather Incursion!

In Week 5, our Year 1 and 2 students took part in the exciting 'Wicked Weather' incursion as part of our Term 4 Inquiry topic, 'Secrets of the Sky'. The presenters from Mad About Science helped us explore the amazing ways weather is created and how it affects our world.

Students took part in hands-on experiments to learn about the water cycle and even created their own mini water cycle in a beaker! They also investigated UV radiation by testing different materials to see how well they could block UV rays. In addition, students learned about Earth's rotation and how it influences day and night, as well as the conditions that create snow and the powerful forces behind tornadoes.

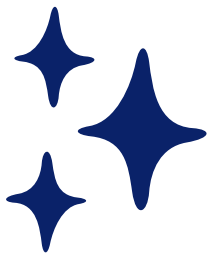

It was wonderful to see the students so engaged and eager to deepen their understanding of the sky above us. The incursion gave them a fun, memorable, and meaningful connection to the learning we have been doing in the classroom. The students had an amazing time and are already excited to continue exploring more weather wonders throughout the remainder of the term!

SCIENCE FUN

STUDENT AWARDS

WEEK 4 – TERM 4 (NO AWARDS)

WEEK 5 – TERM 4

Will S (P16)

For your dedication to your learning. It is such a pleasure to see you engaged and sharing your ideas with others. What a superstar!

Akira S (P17)

For being an enthusiastic learner who always has a smile on her face and tries her best in all activities. Your positive attitude makes teaching a joy!

Tora J (P18)

For always taking such great care in your learning books. You always take your time and try very your best. What a great learner you are!

Violet C (J8)

For showing great comprehension skills and demonstrating that when you're focused, you're capable of anything—well done! Keep up this amazing effort.

Isla O (J9)

For your curiosity and confidence during our 'Mad About Science' incursion. You shared clever ideas and knowledge about the weather cycle. You're a little scientist in the making!

Xanthe H (J10)

Showing concern for others and trying to make their days better. You are a happy and positive force in our class.

Rupert B (J11)

For his action packed space adventure narrative, 100% on his fractions test and his excellent behaviour. Fantastic!

Harry G (J13)

For living our school values every single day. You have the biggest heart and are such a valued member of KPPS.

Charlie B (M5)

For always striving for excellence through consistent effort and giving his best in all learning tasks. Fantastic attitude!

Leo V (M5)

For improving his reading so much and confidently reading to the whole class this week. Sensational achievement Leo!

Michaela C (M6)

For kindly offering to help a classmate with his reading. What a HERO!!

Scott B (M20)

For being a spectacular writer whose words come alive on the page. You engage your reader with a captivating orientation and story, as well as vivid language. Well done Scott!

Jakob BS (M22)

For your overall resilience and determination in your learning this term. Your effort and participation is wonderful to see, and your confidence is growing! Keep it up, Jakob!

Ayse D (M23)

For your outstanding orientation in your narrative. Your sizzling start was engaging, and you included wonderful character and setting descriptions that drew your readers in. I am so proud of you, Ayse!

Dakota C (S1)

For being a cooperative and resilient Kingsley Kid. Bouncing back from challenges with positivity. Well done Dakota

Ruben C (S2)

For always showing kindness, respect and a terrific attitude towards your learning. Your calm and considerate nature is truly an asset to S2. Well done!

Charlee M (S3)

For showing great leadership in the classroom. Thank you for listening well and contributing during tasks. Awesome work!

William R (S4)

For being successfully elected as our S4's Student Representative Council, diligently attending all meetings and conducting your role with confidence and enthusiasm. Very much appreciated William.

PERFORMING ARTS

Ayse G (M22) : For continuing to give it her all in our sessions. I love your enthusiasm Ayse!

Holly (S2) : For working independently to create a beat for her dance.

PE

Asher A (S4) : For showing what an outstanding learner he can be. Mr Kenny is super proud of your past couple of weeks. Keep it up!

VISUAL ARTS

Harlow H (J9) : For her wonderful attitude and helpful nature in Visual Arts lessons throughout the semester!

AUSLAN

Ariki M (J11) : For showing amazing effort and enthusiasm in learning Auslan. I am so proud of how well you can already fingerspell your name!

November

Popcorn

Through popular demand, popcorn Wednesday's continue this term.

The children have all enjoyed the opportunity to purchase popcorn on Wednesdays and it has been a solid fundraiser for our school community.

Thank you to our KPG who have volunteered their time to assist with this for our Kingsley Kids.

The Show

THE WAIT IS WORTH IT!

Don't miss all your favourite characters on stage in this special production! Broadway's most-loved musical production **SHREK THE MUSICAL** is headed to Australia in January 2026.

Based on the Academy Award-winning animated film *Shrek*, the hilarious story of misanthropic ogre prince who will be brought to life on stage at Arts Centre Melbourne, Frankston Arts Centre, Bendigo Lyric Theatre and Sydney Coliseum Theatre. This laugh-out-loud musical is part romance, part magic and full of everything you love about the beloved characters you know from the film. It's on stage and it's yours to see!

In a fantasy kingdom turned upside down, things get ugly when an extremely ugly (but a handsome prince) comes up to rescue a lovely princess. There's a talking donkey who won't shut up, a bad guy with a short temper, a mermaid with attitude and even a dozen other fairy tale motifs, and you've got the kind of music that calls for a real love story. There's never a more fun day - and the name is *Shrek!*

SHREK THE MUSICAL has been enjoyed by audiences around the world since 2008, having toured the UK, US, Asia, Canada, South America, Middle East & New Zealand among others. Now it's your turn to see it!

SHREK THE MUSICAL is produced by Showcase Entertainment Group, the same producer who has brought *Disney's The Lion King* to the stage as well as produced the original tour of *Madagascar: The Musical*, in association with Music Theatre International Ltd.

"Our version of **SHREK THE MUSICAL** features a talented professional cast & crew of 40+! Production values are top notch. The set alone is worth over \$2 million and the cast are both the UK and American tours, it comes with a degree that has the most US heat shipping conditions! Make sure everyone who comes will be blown away!"

The Details

Showcase Entertainment Group is producing the TMO (Theatre for Younger Audiences) version of the show, with a running time of approximately 2 hours in 2 acts.

The show is written and directed by the acclaimed and fun for the whole family with three time options of 10:30am, 2:30pm & 6:30pm. Ticket prices start at only \$50 to maximum being for your luck!

Auction for an Auction

CLICK!
HERE!

Bid at our charity auction (Seaford Park PS) for the chance to sell your property with zero commission and free marketing through Ray White Frankston. Here's how it works:

- You bid to win the prize at our Charity Auction
- The winning bid is donated directly to local schools.
- When you're ready to sell, we'll sell your home for free - no commission, no marketing costs.

For example, if you win the Charity Auction with a \$5,000 bid, you'd donate that to the school.

Then when you sell your property, that would normally mean in excess of \$15,000 in sales commission plus about \$5,000 in marketing for a total of \$20,000 - so you'd be \$15,000 better off when you sell.

A win for you. A win for local schools.

If you are considering selling over the next 12 months, this is an incredible opportunity.

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the requirements of the Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.

PREP 2026 Transition

Kingsley Park Primary School

Getting to know my new school!

This year we are running two fun getting to know you sessions. These sessions will be in our school gym with activities for students and are accompanied by some of our wonderful Year 5 students who become buddies. We invite parents to stay for a coffee and chat while our newest Kingsley Kids join in with some fun activities.

These sessions will be held on Tuesday 21st October and 28th October.

You will be allocated a session time; 9:00-9:40 OR 9:50-10:30

Official Transition Program for 2026 Preps

At Kingsley Park Primary School, we offer a transition program to help your child feel comfortable and confident in our school environment. Sessions provide children with a fun, caring, play-based environment whilst also implementing some of the routines and structure of school. Each session consists of song and story times, indoor and outdoor activities and whole group experiences. During this time teachers will have an opportunity to get to know your child with a particular focus on their interests, group participation, social interaction, fine-motor skills; such as tracing, cutting, craft, language and listening skills, name and number recognition and turn-taking. These observations provide us with valuable insight which assists a positive start to school and allows us to best cater for your child when they begin Prep with us. During this time, teachers begin to assess the relationships between students and trial grade groups.

OCT 21 & 28	Getting to know my school sessions. 9:00-9:40 or 9:50-10:30
Nov 5	No student session this week due to Melbourne Cup Day. Prep Information Night for all parents Wednesday 5th November, 5-6pm
Nov 11	Transition Session 1: 9:00am until 10:30am
Nov 18	Transition Session 2 : 9:00am until 10:30am
Nov 25	Transition Session 3 : 9:00am until 10:30am
Dec 2	Transition Session 4 : 9:00am until 10:30am
Dec 9	Transition Session 5: 9:00am until 10:30am Official Meeting of 2026 teacher and class

Sessions for 'Getting to know my new school' will be held in the hall. For these sessions, please come straight to the hall with your child **at your given session time**. Parents are asked to remain at these two sessions. Further details will be sent regarding 'Transition Sessions', commencing 11th November, with groups for the day and where to meet for a 9am start.

Students are asked to bring a hat, fruit snack and water bottle to the transition sessions.

Students are invited to all transition sessions however, they are not mandatory.
