SCHOOL NEWSLETTER - THURSDAY 4TH DECEMBER 2025

How to support your child under 16 with the new social media age restrictions

From 10 December 2025, the Online Safety Amendment (Social Media Minimum Age) Act 2024 will require social media platforms to:

- prevent children and young people under 16 from having a social media account
- deactivate or freeze existing accounts held by people under 16.

Delaying access to social media protects the health and wellbeing of young people and gives them extra time to build real world connections and digital literacy skills.

The responsibility will be on the social media platforms, not parents, carers, children or schools, to implement these new restrictions. However, parent understanding and support is needed.

Most popular social media platforms will be age restricted. These include Facebook, Instagram, Snapchat, TikTok, X (formerly Twitter), Reddit and YouTube.

Messaging services and online games, as well as apps and platforms that support health and education, can still be used.

How to help under 16s prepare for the change

Parents and carers play an important role in supporting their children to be safe online.

To help get under 16s ready for the social media minimum age requirements, you can go to the eSafety website to learn more about the social media age restrictions and find tips on how to talk about social media age restrictions with young people.

What the change means for our school

At our school, all age-restricted social media platforms are blocked for student use on the school network.

Our school allows student access to YouTube in a logged-out state. However, this access is restricted so mature content cannot be viewed. To keep up to date about the new social media age restrictions, visit the [eSafety website](#) and subscribe to their newsletter.

Did you know Kids Helpline has a social media platform that isn't included in the under-16s social media ban? It also has some great resources for kids to have a look through. [Check it out at Kids Help Line](#)

PRINCIPAL'S MESSAGE

As we head into the final weeks of the year, I want to extend a huge congratulations to all our Kingsley Kids on their hard work and growth. Semester Two reports will be available on Sentral from Wednesday 17th December for parents to read and download. They reflect the tremendous effort and determination shown throughout the year. We are especially proud of our excellent literacy and numeracy results and our outstanding wellbeing results. Our students have made exceptional progress, and this is a credit to their dedication and the support of our staff and families.

As always, I want to thank our amazing community for your support and efforts in helping us make 2025 an awesome year for our Kingsley Kids. Team work makes the Dream Work and this is exactly what Kingsley Park is all about, working together to achieve our best

I would like to take the opportunity to thank our School Council members of 2025. They have added great value and insight into the needs and direction of Kingsley Park, all as volunteers wanting to help us do the best for our school. Council nominations come up in February of each year and every year we have a turn over of half of our School Council members who have a two year tenure. If you are interested, please look out for the nomination process in Term 1 next year. From 2026, parents, carers and community members who would like to join the school council need a working with children (WWC) clearance to nominate. If you are considering nominating for school council, and don't already have a WWCC, I encourage you to apply for a volunteer WWC check as soon as possible. This will allow for processing times, which are estimated to be from 3 to 12 weeks. Please note that if you do not hold a WWC clearance, you will not be able to nominate for school council, so it is vital that you prepare in advance. Obtaining a WWC clearance is free for volunteers, and you can apply online at Service Victoria. When applying for your volunteer WWC check, please nominate the Department of Education as the organisation you are working for. If you already hold an employee WWC clearance, you do not need to obtain a volunteer WWC clearance to nominate for school council. Victorian Institute of Teaching-registered teachers and school students who are interested in joining school council are not required to obtain a WWC clearance. Current parents and community members of school council do not need to apply for a WWC check immediately. Current members only need a WWC clearance if their term ends and they wish to nominate or be co-opted again. For more information, refer to Ministerial Order 1280 (Constitution of Government School Councils) 2020.

We are looking forward to Year 6 Graduation on Tuesday 16th December and farewelling our terrific cohort of kids going from 6 to 7 in the blink of an eye.

Don't forget to join us on Wednesday 17th December for our final assembly to say farewell to our Kingsley 6s, present some special awards across the school and of course have fun with our Christmas sing-along. A sausage sizzle will be open (Thanks to TeamKids for their sponsorship of this - all funds raised will be donated to Food Bank who have been a fabulous supporter of our school this year) for parents to purchase some hot sausages on the afternoon while enjoying the songs. A special guest will join us for assembly and will be available after 3.15pm for a photo and quick visit for those interested.

Have a fabulous Christmas break, stay safe and enjoy the warmer weather (when it arrives).

WHAT HAPPENS ON MARKET DAY?

On this day our Year 6 students are running some fun stalls for students to come along and visit, have a go at an activity and win some prizes. Stalls include fun games and food available including popcorn, spiders, ice cream with toppings and snow cones. Students are invited to bring along max \$10 in a labelled zip lock bag to spend on the day.

**All classes will visit the stalls through the day during allocated times for each year level*

BACKGROUND

Each Year 6 cohort operate a market stall on the annual Market Day in December to create a business, raise funds and leave a legacy item for their Kingsley friends. Our 2023 Year 6 students helped raise funds to create the GaGa pit.

Year 6 students form groups, then work together to create a market stall - developing a business plan, responsibilities, marketing/promotion and hands on for the big day!

Our 2025 students have nominated that all monies raised go towards the establishment of a volleyball court in the Year 5/6 play area.

Each year we have been fortunate enough to take part in the Awesome Kids Calendar with Anglicare.

This years theme was 'Friendship' so all art work and messages in the calendar are based on the topic of friendship. The calendar aims to foster fun and positive learning. It is a useful resource for families and children that assists them with organising family life, with its colourful and plain language design. It promotes relationships with local schools and kindergartens as the hubs of school and community life and provides Anglicare with an opportunity to hear and learn about the things that are important to children. Most importantly though, is the opportunity to gather the thoughts and ideas of children about the world they live in, and the type of world they aspire to create. We have a great deal to learn from them and the calendar continues to capture the interest of the broader community in their vision for the present and future.

Thank you to all the Kingsley Kids who were involved in this project - great job!
We hope you all enjoy your calendars.

Library News

Ms Ros

Library Books

The end of the 2025 school year is fast approaching so it is time to ask parents to have a good look around their home for any outstanding Library books. Notices have been sent home to parents to ask for overdue books to be located and returned. Unfortunately we still have many overdue books that have not been returned.

Library books are a valuable and expensive resource to the school which give many hours of quiet entertainment to the children and their parents.

It is not fair to other children who may want to read a book that has been lost or misplaced. So please have a good look around to see if you can locate any Library books that your child should have already returned to school.

Canteen Update

With the end of the school year approaching quickly, here are some important dates for the canteen:

Friday 5th December

Regular canteen menu for Friday -
Hot Dog special this week!

Monday 8th December

Regular canteen day - dim sim special and yummy sandwiches and wraps!

Friday 12th December

This is Market Day - there will be no usual canteen on this day as several of the Market day stalls will have yummy treats available! In lieu of regular canteen on this day, there will be a sausage sizzle - orders are now open on QKR under 'School Events'

Wednesday 17th December

This is our class party day!

Bento Box lunch special is now available - orders can be made via the QKR App and must close on Friday 12th December. Contact has been made with our known allergy children, however if you are unsure or have any questions regarding lunch box items please contact Leigh on 0407823799.

THANK
YOU
😊

At this time of year we also like to extend our thanks to the many parents, friends and grandparents who assist on our canteen days. Without your help, this service would not be as great as it is, so thank you, thank you, thank you to each and everyone!

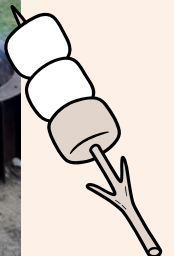

Leigh will be on-site during our final assembly so please look out for her if you are here as we are sure she'd love to say thank you in person!

Year 4 Portsea Camp – A Sun Soaked Adventure to Remember!

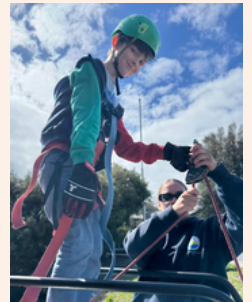

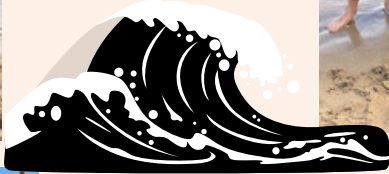

Last week, our Year 4s headed off to Portsea Camp for three action-packed days—and what a camp it was! With sunny, warm weather the entire time, the students embraced every moment of adventure. The Giant Swing was an instant favourite, with students soaring through the air while their friends cheered them on. The Flying Fox gave everyone a chance to zoom across camp and the abseiling slide tested our bravery one careful step (or squeal) at a time. Down at the beach, we enjoyed games in the sunshine before setting off on a scenic hike, complete with sandy toes and found treasures.

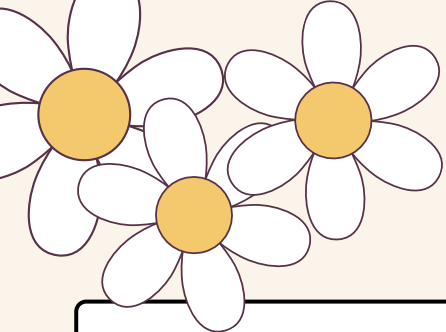

Of course, no camp is complete without treats! Cookies and donuts kept energy levels high and spirits even higher. The highlight for many was the evening campfire, where marshmallows were roasted to sticky perfection. And just when we thought the night couldn't get any better, our dance party took a hilarious turn into an impromptu race, enthusiastically led by Mrs Cox, much to the delight of the students.

It truly was a camp to remember, full of sunshine, adventure, friendship, and unforgettable fun. Our Year 4s returned tired, smiling, and already asking when they can go again!

Term 4 Celebration of Visual Arts

What a big term it has been in the art room!

The Preps have been looking at the 'Wonder of Nature' and exploring colours and textures found in plants and leaves. They are looking forward to sharing some wonderful creations they have made with their families at the end of the year.

The Juniors looked at the work of Aboriginal artist, Sally Morgan, and explored themes of connection to place in their colourful drawings. It has been a joy to read each student's reflection on their special place.

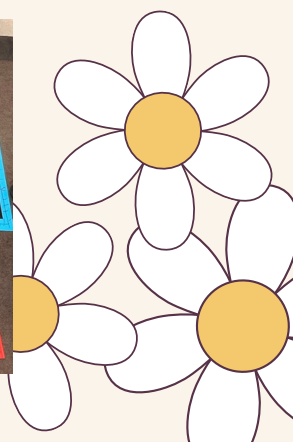

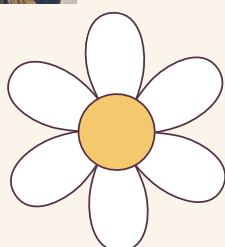

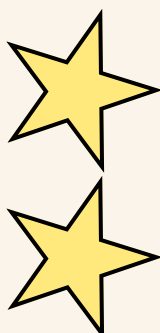

And of course, we celebrated all of our Kingsley Kids as artist in our Art Show!

Our underwater glow room exhibiting the Prep and Junior artwork was a hit. I loved seeing families come through and Marvell at the neon creations.

And let's not forget the detail works of the Middles and Seniors. Their portraits, landscapes and still life artworks looked amazing displayed together. The younger students loved seeing what they will get to do in coming years. We have some truly talented artists at Kingsley Park!

Thanks to the families who came through and a huge thanks to Helena Tong for organising the supply of our lights for the glow room.

Miss Jessie

Wow! What an amazing first term of Auslan our Preps had. I am super impressed with how quickly the students are learning new signs. The focus for last term has been learning the signs for greetings, colours and family members. The Preps have made a brilliant start as you can see in the photos. They all had to learn their rainbow colours as a Term 3 goal and have been very proud of themselves completing their reflections on how they think they did. I'm super excited to see what Term 4 brings!

Middles:

This term, Middles have been exploring dance elements by learning a variety of dance movements. They began by comparing the Macarena to the Nutbush, then moved on to learning line dancing, exploring other dance styles like Michael Jackson's moonwalk and Thriller and then finally onto Hip Hop. It was great to see them show resilience and work cooperatively with each other.

Seniors:

This term we have seen the Seniors explore how to create music to suit dance styles and learn a range of dance movements they can use to create their own choreography, such as indigenous dance movements, Cup dance, Step movements, Line dancing and Hip hop/ break dance. It was great to see them incorporate these dance movements and make their own choreographed dances.

YEAR 3 NEWS

Term 4 has been a busy one for Year 3 students. They have been super productive and had a lot of fun creating their own 'Choose Your Own Adventure' stories with lots of twist and turn choices. Here are a few great descriptive beginnings that are sure to gain your interest.

On a Halloween night, you and your friend Lexy walk to go trick or treating. You smell all the chocolate treats and a bunch of cool made candies. You have more houses to go but you see Lexy staring at one huge, big, creepy house. Your head gets sweaty and your lips go dry. You feel the cold dusty wind circling you. Lexy goes cold and so you tell her, "Let's go trick or treating somewhere else." Lexy ignores you and says that it's a witch's house. You shake your head saying it is not but she doesn't believe you. People walk past you and you notice all their creepy, devil costumes. The house decorations are scary with black spiders or smoke. You and Lexy are dressed up like clowns with a red, shiny nose that is making your costume scary.

YEAR 3 NEWS

The Sea Bourne Crater

By: Charlie

It is snowing heavily outside your elf gingerbread house. The sweet smell of sugar and spice makes you feel cosy and warm inside. Your house is number 16 and says in black, "Jasper the Elf's house: no junk mail" on the letter box."

Your pointy red and black hat sits comfortably in between your pointy elf ears. Thick red and black clothes keep you warm and your pointy black shoes complete your outfit. Although you love living in a warm, gingerbread house, you are eager to begin your Sea Bourne Crater adventure.

The Haunted House

By: Carter

One sunny morning you, Scarlett, are getting ready for a normal day at school. You have a lot of people at your school. You have to wear a dark green uniform you don't like wearing, but you like that you don't have to stress about it every day.

You love school because you get to see your best friends Grace and Sky. Grace has long, blonde hair and she does netball. Sky has short, brown hair and she loves playing football. You, Sky and Grace are talking about Halloween tomorrow. You love Halloween because you get so much candy.

After school you are so tired that you forgot that tomorrow is Halloween. You stay up all night making a costume. You, Sky and Grace have decided to be minions. You are texting Grace about what you are going to be for Halloween. Grace said she is going with Sky, you are so upset you have a plan to make them jealous.

The Magic Waterfall

By: Audrey

Lily the mermaid had a blue shiny tail, blond sparkling hair and a white sea seashell top. Lily lives in a glistening waterfall that sparkles in the sun in the middle of a magical forest.

Meanwhile you are watching your tv. You live in a small house that is painted light blue. Your brown hair is curly it matches those freckles on your face. Your blue top and white skirt are really pretty.

You live near the waterfall everyone tells you that the waterfall is magical and that a mermaid lives in it but you don't believe them. Now you have finished your show and because it is late you're heading to bed.

THE SECRET WATERFALL

By: Anabelle

"Mila, Maddie, get out of bed. It's almost time for the picnic." So you get out of bed and get ready. Maddie doesn't hear because she is still snoozing. Once you are ready you wake Maddie up. Maddie gets up and gets ready.

Maddie and you are twins. You have long, golden hair and Maddie has wavy, bronze hair. You both have pretty hazel eyes.

You live in a beautiful cottage with poppies at the front door. Inside your room there is a bunk bed for you and Maddie. It is tall with butterfly stickers around it. You have the top bunk. There is a special night light for Maddie. You get annoyed every night but you still deal with it. There is a calm corner full of fluffy teddies.

We've also had some super friendly visitors, who may have had a cuddle or two.

YEAR 3 NEWS

One day You, Ranger, David and Joe go on an adventure to a magical forest. The sky starts to twinkle as a beautiful book sitting on a rock starts to float. Your hands get sweaty as you increasingly get more and more nervous. You don't know what's coming next. It's very loud as the water splashes on the little river. A lovely little rabbit comes and sits on your foot. There are heaps of plants and trees that shine through the beautiful rainbow bushes and blooming flowers.

You have black hair, blue eyes, a brown hat and heaps of freckles. You increasingly get more and more excited because you love to explore. Joe is your uncle, Ranger and David are your annoying younger brothers. You have a pet butterfly and her name is Twinkle. You named her Twinkle because she is yellow and she twinkles through the sky when she flies.

You are very annoyed at Ranger because he keeps talking to you. You say stop and he listens. We are singing a song while we are on a boat and it goes like this- row row row your boat gently down the creek, if you see a crocodile don't forget to scream.

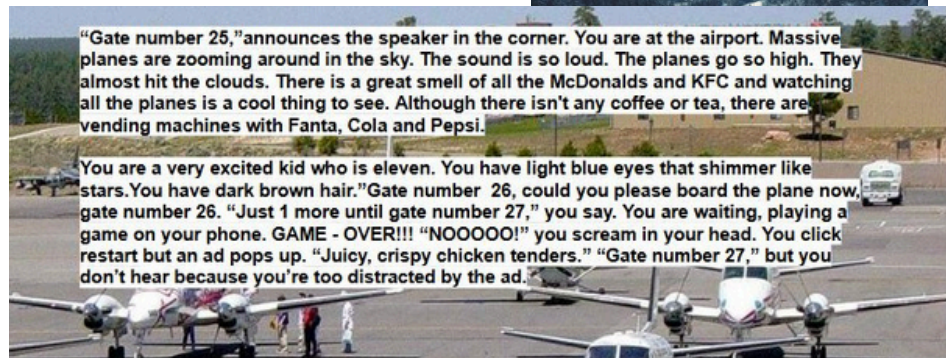

You Choose :The Snow

By: Tex Parsons

Stormy Night

By: NIKITA

"Gate number 25," announces the speaker in the corner. You are at the airport. Massive planes are zooming around in the sky. The sound is so loud. The planes go so high. They almost hit the clouds. There is a great smell of all the McDonalds and KFC and watching all the planes is a cool thing to see. Although there isn't any coffee or tea, there are vending machines with Fanta, Cola and Pepsi.

You are a very excited kid who is eleven. You have light blue eyes that shimmer like stars. You have dark brown hair. "Gate number 26, could you please board the plane now, gate number 26. "Just 1 more until gate number 27," you say. You are waiting, playing a game on your phone. GAME - OVER!!! "NOOOOO!" you scream in your head. You click restart but an ad pops up. "Juicy, crispy chicken tenders." "Gate number 27," but you don't hear because you're too distracted by the ad.

Puddle, puddle, puddle goes the hard rain on the streets. It's Halloween night. It smells very damp and it feels really cold. You can taste your own saliva and you can feel the rain pouring on you. Also you constantly hear chattering. The street feels scary.

You're with your two friends Jeffery and Michael. You have dark brown hair and always have a lot of energy. You are walking on the wet and muddy streets. You are going trick or treating at every scary house you see. You even go to a house that has a tunnel of doom. Once you come out of the tunnel of doom the adults give you a raffle filled with all kinds of lollies.

You're a kid that always pokes your nose where you shouldn't. You also like to make trouble, you're always curious to find new things out. Your eyes sparkle like the moonlight stars and your hair is dark and curly.

Dog Moon

The forest is dark and gloomy as you walk deeper. You are a beautiful fairy with long brown hair, with a rose headband and curious green eyes. As it gets foggier, you stop to tie your shoelaces, even though it is difficult to see your feet.

Suddenly you hear a sad owl noise. You follow it and you can see a glowing gold tree. Just at that moment the gold door in the tree trunk swings open and you see a little elf wearing a green suit with orange buttons, an orange belt and a green top hat. He has blue shoes, blue eyes, ginger freckles and his name is Elfo. "Where are we?" you ask. The little elf replies, "You are in the Land of Treats." He says to sit down, so you sit.

A minute later Elfo brings back trays of food. On the trays there are cookies, tall jelly, ice cream, nuts, toast, jam, fruit platters, pies and cakes. The cakes have chocolate sauce and cherries while the pies are shaped in stars, hearts and dogs.

AUSSIE OF THE MONTH

OCTOBER

Prep: Lylah M (P17)

Over the course of her first year at school, Lylah has demonstrated that she is an exemplary Kingsley Kid. She consistently demonstrates respectful listening to all teachers, carefully follows instructions and completes all learning tasks to a high standard. You are a wonderful role model, Lylah!

Year 1: Ryzin M (J10)

Ryzin always gives his best effort and shows what it truly means to live by our school values. You demonstrate inclusion, fairness, mateship, and respect in everything you do. Your positive attitude and determination make you a valued member of our class —well done!

Year 2: Arthur S (J12)

Arthur's dedication to upholding the Kingsley Park school values is second to none. He consistently shows respect towards others, including teachers. Arthur doesn't strive to 'BE THE BEST'; however, he does strive to improve on his already high standard of work. Well done!

Year 4: Abby H (M23)

For consistently demonstrating all of our Kingsley Park values. You use beautiful manners, go out of your way to make others feel included, and always try your very best in everything you do. Thank you for making our school a better and kinder place. Well done, Abby!

Year 5: Harley B (S4)

Harley is a hard working, conscientious and diligent student who is always considerate of others. He tries his best in all that he puts his mind to and will often go above and beyond with his learning seeking further extension challenges. Harley's positive mindset sees him as a respected role model both within and out of the classroom. He shows kindness to others and a terrific ability to work co-operatively with his peers and teachers. Harley displays all the Kingsley values with 'style'; you are a real 'Quiet Achiever' Harley.

Year 6: Brodie RJ (S1)

Brodie is a kind, respectful student who is always striving to achieve his best. He models the classroom expectations with a quiet determination and embraces the learning pit with a growth mindset and positivity. Brodie is a role model both in and out of the classroom and has really shone this year in his role as School Captain. His confidence in himself as a leader, student and friend has been wonderful to see. Brodie is a true 'Kingsley Kid' and we are so proud of all he has achieved this year. Well done Brodie!

AUSSIE OF THE MONTH

NOVEMBER

Prep : Jacob H (P17)

Jacob demonstrates curiosity, enthusiasm and dedication to his learning. He approaches every learning opportunity with eagerness and a genuine love for a challenge, always striving to do his very best. His positive attitude and willingness to think deeply have helped him grow as a learner and inspired those around him to do the same. He is patient, kind and works beautifully with everyone. Whether collaborating with classmates or tackling a tricky task independently, he demonstrates resilience, determination and a strong work ethic. Thank you, Jacob, for your effort and the joyful attitude you bring to our classroom each and every day. You are a shining example of what it truly means to be a Kingsley Kid.

Year 4 : Issy B (M22)

Izzy is a hard worker, shows kindness and exceptional leadership skills that have made a real difference and inspired those around her. She has demonstrated outstanding dedication, enthusiasm and growth in her learning this month. Congratulations and thank you for being a shining example of what it means to be a true Kingsley kid!

Year 1: Eddie B (J10)

You have an inquisitive nature and a thirst for knowledge which means you participate enthusiastically in all discussions and activities. You are polite, friendly and helpful. You are always looking to do your best and improve yourself. You have a bright future ahead of you. Keep up the great work.

Year 5 : Kaylee L (S3)

Kaylee is a hardworking, polite, and enthusiastic learner who consistently demonstrates the values of the Kingsley Park community. Her positive attitude and dedication have shone throughout a fantastic year in Grade 5. Well done, Kaylee!

Year 2 : Wolfgang (J13)

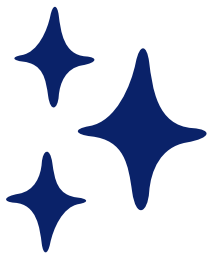

For embodying our school values through his respectful attitude, cooperative nature and dedication to excellence. He values his education, approaches his learning with care and still gives 100% to his many sporting commitments outside of school. You are a wonderful role model, Wolf. Keep it up!

Year 6 : Koa B (S1)

Koa is a kind, thoughtful student who approaches her learning with a smile and an admirable amount of resilience. No matter the challenge, Koa never gives up as she strives to do her very best in all she tackles. Always willing to help out in the school community, Koa has spent many lunch times setting up PMP for our preps and running activities with them. She is always smiling and full of energy and happy to get involved in everything school has to offer. A true testament to being a 'Kingsley Kid', well done Koa, keep shining!

STUDENT AWARDS

WEEK 7 – TERM 4

**Indie M (P16)**

For working really hard to count the items in Maths and determine if they were shared fairly or not. You were so focused and engaged in your learning. Well done!

Florence T (P17)

For showing enthusiasm in her learning. I love how you settle down quickly and take great care and pride in your work.

Elsa T (P18)

Free public transport

From 1 January 2026, people aged under 18 can travel free on all Victorian public transport services using a new youth myki card. This includes trams, trains, buses and coach services.

To access free travel, they must tap the myki card on and off each time they travel. For areas that do not use myki cards, they must show their myki card to travel free. More information about the youth myki card will be available later in Term 4, 2025 – refer to the myki types webpage on the Transport Victoria [website](#).

For more information about other travel options to school, and support for eligible students, refer to the Travelling to school webpage on the [Victorian Government website](#).

A message from Youth Engagement Program: As you will already know, new restrictions on social media access for young people are coming into effect on December 10. For many teens, this sudden change will have a significant impact on their sense of identity, connection and daily routine.

And for the adults supporting them - parents, caregivers, teachers, youth workers - this moment is already raising big questions.

- How will young people respond?
- What should we expect in homes and classrooms?
- What can we do to support them through the transition?

To help communities navigate this shift with confidence and care, we are hosting a 60-minute webinar designed specifically for the adults in young people's lives:

Beyond the Ban: What Young People Need From Us Right Now

• **Monday, 8th December**

• **Live Online Webinar**

One ticket covers all adults in a household.

This is not a legal or technical session on the legislation. It's an evidence-informed, highly practical workshop on how to support young people emotionally, socially and psychologically during a period of disruption.

In this session, we'll explore:

- What the ban means for young people's wellbeing, identity and behaviour
- How to recognise and respond to the vulnerability underneath resistance
 - Tools for connection-based communication
- Strategies for supporting regulation and rebuilding routine beyond screens
 - What adults can do to show up with steadiness rather than stress

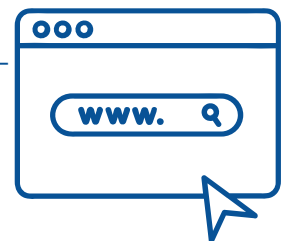

NEW Webpage to help families and students prepare for a new school year

A new school year is an exciting time for students and families, but it can be a big step – particularly for those starting Prep, secondary school or VCE.

The Department of Education has a webpage with resources and information to help you prepare for the new school year.

During the school holidays, please consider reading through the resources, which include:

- tips to help transition from kinder to Prep, primary to secondary school, and Year 10 to VCE
- what to expect at school
- help with school costs and fees
- health and wellbeing guidance to support children's mental health. Please refer to the [New year of learning webpage](#).

The BIG Summer Read is an annual summer reading campaign for young people aged 0-18. It is a collaborative initiative happening at all public libraries across Victoria, Tasmania, Queensland, South Australia and New South Wales. It has been developed to raise awareness and ensure ALL children have access to the resources they need to maintain literacy skills over the summer school holidays.

It encourages children to read for pleasure and aims to address the 'summer slide'. This refers to the loss of literacy experienced over the long summer break if children are not exposed to books or reading.

The Challenge

- Read on as many days as you can between 1st December 2025 and 31st January 2026. Every 5 days logged counts as one entry into the prize draw. You can read any type of book, including audiobooks, picture books, graphic novels... they all count, as does listening to a book read by someone else, and reading the same book multiple times

The Prizes

- Every entrant who completes at least 5 days of reading between these dates can return their log/display their online completion badge to receive their choice of a BSR tote bag, reusable straw or Croc Charm while stocks last, and a completion certificate, and go into the major prize draw to win:
- Frankston City Libraries: 1st Nintendo Switch 2 Pack, 2nd Frankston Arts Centre Family Show Pass, 3rd QBD Book Pack
- They will automatically be entered into the statewide and national prize draws to win Bluetooth headphones, a Kobo eReader, Zoos Victoria memberships and book packs.

How to Enter

- Be a Frankston City Libraries member
- Register online at <https://readbooks.com.au/bsr>

OR

- Visit your local library branch (Frankston, Seaford or Carrum Downs) to collect a paper log

Visit the website

Unlock a fantastic opportunity to win free rego! Sounds exciting, doesn't it? Here's how

-take a selfie or photo with the club advertising board (There are 2 at Kingsley Park PS - Franciscan Ave & Gattinara Drive)

-tag Frankston YCW Junior Football Club,

-tag a friend to encourage them to participate,

-like and follow their junior football club's Facebook page.

As a bonus, if you also follow their junior club's Instagram page you may be in the running for a hoodie in your size!

If YCW is your local team of choice, get creative and capture some fantastic photos for your chance to win!

The competition closes on 1st December at 5 pm, and YCW will announce the winner at 7:30 pm. (If you've already paid your rego, they will refund you!)

Good luck!

Auction for an Auction

CLICK!

Bid at our charity auction (Seaford Park PS) for the chance to sell your property with zero commission and free marketing through Ray White Frankston. Here's how it works:

- You bid to win the prize at our Charity Auction
- The winning bid is donated directly to local schools.
- When you're ready to sell, we'll sell your home for free - no commission, no marketing costs.

For example, if you win the Charity Auction with a \$5,000 bid, you'd donate that to the school.

Then when you sell your property, that would normally mean in excess of \$15,000 in sales commission plus about \$5,000 in marketing for a total of \$20,000 - so you'd be \$15,000 better off when you sell.

A win for you. A win for local schools.

If you are considering selling over the next 12 months, this is an incredible opportunity.

For 35 years, the Frankston community has come together through the Community Appeal to make sure no one is left behind at Christmas. What began as a small local initiative has grown into a truly remarkable community tradition — one that brings hope, dignity and joy to thousands of local people doing it tough.

This year, they're preparing more than 1,300 festive hamper bags, each filled with nourishing seasonal foods, grocery vouchers and toys for children. These hampers go directly to families, couples and individuals who are struggling with the increasing cost of living and housing pressures. For many, it's the only moment of light in an otherwise challenging time.

The strength of this Appeal has always been the generosity of people in our community. Local businesses, schools, organisations and caring individuals rally together — donating cash, food or toys — to ensure that every bag is packed with kindness and delivered with respect.

As demand grows, so too does the need for community support. This year, more families than ever will be reaching out for help. Any donation can make a real and immediate difference — whether it's a financial contribution, non-perishable festive food, or a gift to bring a child joy on Christmas morning.

Every contribution, large or small, help Frankston Community Appeal create a season of hope. Together, we can make sure our community feels seen, supported and cared for this Christmas.

To donate, please visit www.frankston.net/appeal (click link) or contact us at csf@frankston.net - every gift helps. All monetary donations over \$2 are tax deductible and a receipt will be issued.

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the requirements of the Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.

PREP 2026 Transition

Kingsley Park Primary School

Getting to know my new school!

This year we are running two fun getting to know you sessions. These sessions will be in our school gym with activities for students and are accompanied by some of our wonderful Year 5 students who become buddies. We invite parents to stay for a coffee and chat while our newest Kingsley Kids join in with some fun activities.

These sessions will be held on Tuesday 21st October and 28th October.

You will be allocated a session time; 9:00-9:40 OR 9:50-10:30

Official Transition Program for 2026 Preps

At Kingsley Park Primary School, we offer a transition program to help your child feel comfortable and confident in our school environment. Sessions provide children with a fun, caring, play-based environment whilst also implementing some of the routines and structure of school. Each session consists of song and story times, indoor and outdoor activities and whole group experiences. During this time teachers will have an opportunity to get to know your child with a particular focus on their interests, group participation, social interaction, fine-motor skills; such as tracing, cutting, craft, language and listening skills, name and number recognition and turn-taking. These observations provide us with valuable insight which assists a positive start to school and allows us to best cater for your child when they begin Prep with us. During this time, teachers begin to assess the relationships between students and trial grade groups.
