

Kingsley Park Primary School

Respect ~ Excellence ~ Resilience ~ Co-Operation ~ Community

SCHOOL NEWSLETTER - THURSDAY 6TH MARCH 2025

WHO ARE THE KPG?

The KPG are our Kingsley parent group. They help raise funds to ensure better facilities, more opportunities and an even greater school experience for our kids. The KPG fundraising team is a small but enthusiastic team of volunteer mum's, dad's, grandparents, neighbours, friends, aunties, uncles and supporters of Kingsley Park students.

They organise our fundraising events including • Mother's/Father's day stall • Easter Raffle • Sausage Sizzles • Bunnings BBQ • Colour Fun Run ... and so much more, always open to new suggestions!

Every dollar they raise goes directly to improving our kids' school experience. Thanks to fundraising, we've provided playground upgrades in various areas and the lovely large seat in the school library for all to use.

The kids love to get involved with our fundraising events and for some of them it's the highlight of their year! This year, we're working towards a new cooling system for the hall.

We Need All Kinds of Skills! Whether you're great at organising, cooking, crafting, planning or just lending a hand, there's a way you can help! You can: Join the committee (just one short meeting a month) Help at a single event for an hour or more. Take the lead on a project - like our Bunnings BBQ. We are always looking to welcome volunteers into the Kingsley Park Fundraising Group. The time commitment is flexible and up to you. We'd love to have your skills and support on our Fundraising Committee - together, we can make a real impact for our kids!

If you'd like to help, just email kingsley.park.pse@education.vic.gov.au.

SIBLING ENROLMENTS

We are enrolling our siblings now for Prep 2026

We ask all families who have a child starting Prep in 2026 to complete an enrolment form as soon as possible and hand it to the office for processing. We are receiving new family enquiries already, and want to ensure our current families are enrolled as soon as we can.

All Sibling Prep 2026 enrolments are due to the office by the end of February, 2025. Please ring the office on 9789 0077 if you have any queries about enrolment.

Tour dates can be found on the last page of this newsletter on our Prep 2026 flyer.

We are excited to celebrate Harmony Day on Friday, 21st March! Harmony Day is a special occasion that highlights the importance of inclusivity, respect, and a sense of belonging for everyone. As part of our celebrations, we will be exploring our diverse cultural backgrounds and family traditions.

On this day, students are invited to dress in a national outfit representing a country or wear a splash of orange to celebrate the day.

To support this, we would love for you to share stories with your child/ren about their family, traditions, and heritage by creating a "Family Suitcase".

This of course will not be a big suitcase but more a case of family ideals to share. This can be created however you like. It might be a presentation, a diorama, a slideshow, a poster. Create your own family idea.

We encourage you to share as much or as little as you feel comfortable. These discussions will help us celebrate the rich diversity of our school community and help students understand and appreciate different cultures, families and experiences. Further details will be sent home through classroom teachers.

Please ensure each child brings their items and responses to school by Monday, 17th March. They will use these to complete their poster/presentation of a 'family suitcase' and share their work on Friday, 21st March.

Thank you for your support in making Harmony Day a meaningful and inclusive celebration. If you have any questions, please feel free to reach out.

PLEASE NOTE THAT MONDAY 10 MARCH IS A PUBLIC HOLIDAY, SO STUDENTS ARE NOT TO COME TO SCHOOL. WE HOPE YOU CAN ENJOY THE LONG WEEKEND WITH SOME FUN FAMILY TIME, MAKING NEW MEMORIES.

IMPORTANT DATES

SCHOOL PHOTOS 2025
Monday 5th May

Friday 7th March

Whole School Assembly

Monday 10th March

Labour Day Public Holiday

Tuesday 11th March

SMILE SQUAD On-Site (11/3 - 28/3)

Thursday 20th March is Years 3-6

House Cross Country Day

We encourage all students to take part in this day and have a day of fun. Dress up in your house colours and come along and cheer everyone on. Some children choose to run for a placing and be competitive, some children choose to run or walk for fun and enjoy the team spirit. We encourage all students to earn house points for their house for loud cheering, enjoyment, dressing up and coming in a numbered place.

Late Arrival
Early Release

LATE ARRIVAL & EARLY LEAVE

Students arriving to school after 8.45am must be signed in by a parent/guardian via the school office. Any student arriving to school late without a parent will be marked as an unexplained lateness on their attendance record.

All absences require a valid explanation from parents/guardians.

2025 Initiative

Walk Safely/Active Travel to School Day

Today, Thursday, 6th March, Kingsley Park participated in the 2025 'Walk Safely/Active Travel to School Day' initiative to celebrate the arrival of the great new decals on our community paths!

A large number of children and their families joined us in promoting safety, health, and community spirit.

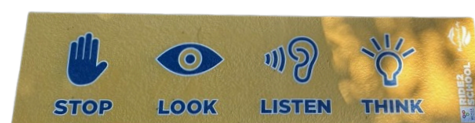

Staff members met groups at three of the start locations in our neighbourhood and students then followed the newly marked 'Active Travel' pathways created by Frankston City Council. These pathways lead to our school from four main routes.

On Arrival at School our SRC leaders gave each 'traveling' student a sticker/transfer, then the whole school joined in for a brief assembly to acknowledge this important safety initiative.

We look forward to continuing to promote active travel and community safety and thank our parent community for your support with this morning's plans. It was so fantastic to see so many students and families taking part.

Matt Brand - Assistant Principal

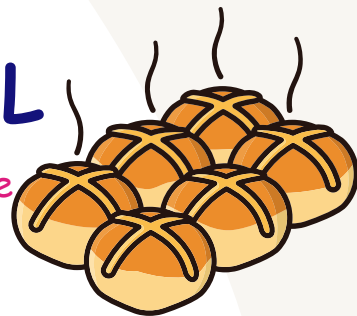

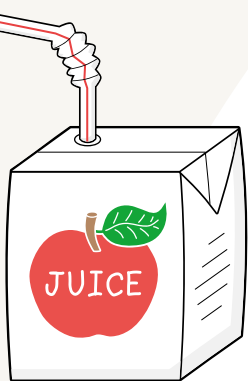

HOT CROSS BUNS & DRINK
MORNING TEA

THURSDAY 3RD APRIL

HOT CROSS BUN DEAL

To be delivered and enjoyed at snack eating time

Orders are now open via the QKR App

1 x Fruit, Chocolate or Plain Hot Cross Bun
with a choice of
Apple/Apple & Blackcurrant or Orange juice
\$4.50

Additional buns can be ordered
via QKR for \$2 each

Please order via the QKR App by 9am on Thursday 27th March.
We are unable to accept any late orders
due to supplier requirements.

Thank you
Brumby's
Towerhill!

PLEASE SUPPORT OUR SCHOOL

EASTER RAFFLE DONATIONS NEEDED!

To make this raffle a success we require the support of our families to donate an Easter treat for our prizes. (Chocolate, lollies, toys, activities - anything Easter related will do!) There are no special requirements here, just pick something and send it along to school. We have a collection basket at the office. Thank you for your support.

EASTER RAFFLE INFORMATION

**Tickets for the 2025 Easter Raffle are available via the QKR App.
Tickets are \$1 each and there is no purchase limit!**

How to purchase tickets ?

Purchasing your raffle tickets via the QKR App is easy!

Please select 'Easter Raffle' under "School Events", select the number of tickets required, add to cart and your purchase is complete. (Remember if you'd like more than one child in the draw, to select a profile for each child - just like a lunch order)

Easter prizes are allocated for each grade - so every ticket you purchase will go directly into the draw for your child's specific grade!

When does the raffle close ?

Tickets are available via the QKR App until 9am on Wednesday 2nd April

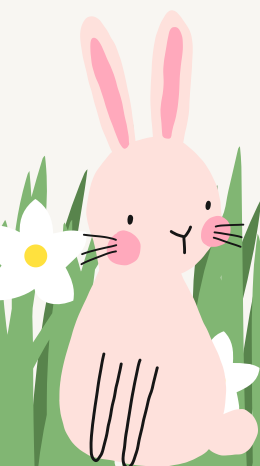

When is the raffle drawn ?

The classroom raffles will be drawn on Thursday 3rd April, so please ensure that your raffle ticket purchase via the QKR App has been completed by 9am on Wednesday 2nd April.

Major Prize Draw

On Friday 4th April all tickets go into a draw to win one of 3 grand prizes, which will be selected at assembly.

**Good luck and thank you for
supporting KPPS
Easter Raffle and our 2025
fundraising efforts!**

THE SCHOOL OF PLAY

A NEW 2025 INITIATIVE FOR KINGSLEY PARK

A new exciting initiative has arrived at Kingsley Park this year. Paul from the School of Play has been out to Kingsley to lead our students and staff in training in how to run engaging and collaborative play sessions for the students at lunchtime and in some classroom times. Backed by research these games allow the students that are participating to improve health and wellbeing. Senior students and some staff had the best day with Paul in our training day.

Click below to view a video of a game to try at home before school.

Have you tried the
breakfast
gratitude game ?

← Watch this video
to find out more!

What is the objective of the breakfast gratitude game is:

A positive and reflective way to start the day, this game involves sharing gratitude and intentions over breakfast. Participants roll a dice to determine which gratitude-themed question they will answer, encouraging a positive mindset and fostering connections with others.

Today I am going
to make my sister
happy by

Today I will
be grateful for

Today I will make
my teacher
happy by

Today I will try
and make a new
friend at playtime

KPPS EXPECTATIONS AND BEHAVIOUR RESPONSES

These are the 3 key expectations that we expect all students to follow at all times. Whilst we still have our core school Values of; Excellence, Respect, Resilience, Cooperation and Community these are all encompassed in our 3 key expectations.

Our key focus is on recognising the positive behaviours that we see across the school however, when we see behaviours that go against our expectations, we follow a 5 step process.

Steps that are followed that include;

Remind – a quick positive reminder of the behaviours we like to see; RESTATE– restate the behaviours expected if they continue to occur; RELOCATE – this may include relocating to a different space within the room while a child thinks about their behaviours, even moving tables to cease the chatter between friends; REMOVE – means the child may need to be moved from the room to regulate, sometimes this is to another room to complete their work or to the office if the behaviours warrant further discussion; REPAIR – this is a restorative conversation between affected parties to repair the relationship and continue the focus on mutual respect.

It is important for parents to be in alignment with our school expectations to help us endorse and promote our values to ensure a positive learning climate for all.

We ask you to read through our Matrix below and provide any feedback or additional thoughts.

	Learning spaces	Corridors	Toilets	Play Spaces	Canteen	ICT	Community
Be Safe 	Walk while inside Leave the classroom neat & tidy Use hand sanitiser Wash hands before eating Pushing in chairs and using them safely Follow instructions Be aware of surroundings Use equipment safely Enter and exit calmly and quietly Keep our hands to ourselves	Walk at all times Keep voices low Keep to the left	Respecting privacy Washing hands Be with a buddy No playing in the toilet spaces	Engage in positive social activities Play safely No tackling Stay within boundaries	Lining up Wait for your turn	Don't share personal information Visit safe sites Keep passwords private Report inappropriate activity to an adult Limit screen time	Use the school crossing. Walk your bikes while on school grounds.
Be Respectful 	Help to pack up and clean up Listen and consider others Put your hand up and wait to speak Speak to others politely Take care of the classroom Inside voice Asking permission Be an upstander Showing patience and taking turns Using kind words and actions Respect others personal space	Be patient Wait for others to come through the door Hold the door for others Use positive and polite language	Respecting privacy Quiet voices Keeping basins tidy Use toilet paper correctly Wait your turn	Include others Look out for others Treat equipment and facilities with care Share spaces Take turns Play fair	Using manners Wait patiently	Use online resources correctly Use devices respectfully Use appropriate language Follow the ICT acceptable agreement	Wear uniform with pride
Be a Learner 	Be on time - Beat the bell Be organised and ready Follow instructions Ask questions Consider the learning needs of others Cooperate with others Have a go Focused listening Embrace the Learning Pit - Do your best Be curious Be resilient when challenged Strive to achieve personal goals	Be aware of others Move promptly to where you need to be	Return to class promptly Wait until after mini lesson.	Care for the environment and put rubbish in the bin Look out for others and assist where needed Use appropriate language	Watch and see how things are run and offer ideas for change		

KEEPING OUR SCHOOL TIDY & HAVING PRIDE IN WHERE WE LEARN

This Term lots of students from different year levels have taken time out of their day to look after Kingsley Park.

From sweeping and cleaning out the bike shed and the gym to cleaning areas around the school, its been so lovely to see the smiles on their faces as they do something positive for the school.

Thanks Kingsley Kids!

Junior Swimming Week

In Week 5, the Year 1 and 2's took part in the Junior Swimming Program at PARC. Throughout the week, students were engaged in a variety of activities to improve their swimming abilities, whilst boosting their confidence in the water and knowledge of water safety. On Thursday, the students wore old clothes/pyjamas to put water safety into a real life context. The Junior students had a great week and displayed our Kingsley Park values when out in the community. What wonderful Kingsley Kids we have!

"I really liked doing swimming this year. I loved using the pool noodles and boogie boards to learn how we can use them to save people".

Macy (J9)

"I really liked our swimming lessons. I learned how to lie down on the ground and use a pool noodle to do a reach rescue. I had lots of fun and I can't wait to go back again next year"

Frankie (J10)

"My favourite activity was when we pretended to fall off a boat because we got to wear life jackets and we practised counting people to make sure everyone was there. It was a really fun week at PARC!"

Emma (J13)

"At swimming we learnt some lifesaving skills. They taught us how to do a rescue where the person lays on their belly and you pull them in. I also liked doing the boogie boarding it was really fun!"

Sersha (J11)

"At swimming I liked diving to the bottom to get the sinkies. I also learnt how to swim in the deep end with my clothes on. The best bit was jumping in the pool with a life jacket on. I had the best time!"

Curtis (J8)

"It was so awesome to start the year with swimming. I loved it because I got to swim with my friends. I learned how to do backstroke and it was fun except for the water splashing me in the face"

Henry (J12)

Our school captains and house captains had a great day in the city learning about leadership, having fun & being a star on stage and some air guitar at the 2025 GRIP Leadership Conference, on Tuesday 4th March.

It was lots of fun. There is lots of fun and really good as it was interactive learning. - Holly

I got to speak and ask my own question about leadership. - August

I loved the audience and how kind the presenters on stage were. We learnt life lessons while having fun.

- Jordan

Amazing day out, we would love to do it again. - Brodie J

CLEAN UP AUSTRALIA DAY

On Friday 28th February, all students in Kingsley Park Primary School participated in our annual Schools' Clean Up Australia Day event. Each grade were provided with a sustainable glove to use and pick up litter in our school grounds. We were amazed by their efforts and it was valuable for the students to see how important it is to always use our bins in the playground. As a school community we are committed to improving our waste and want to keep our wonderful school grounds looking beautiful! Thanks Kingsley Kids for all your hard work.

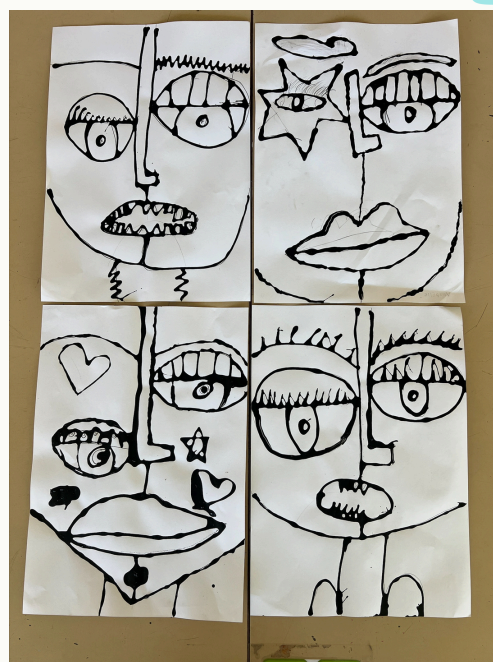

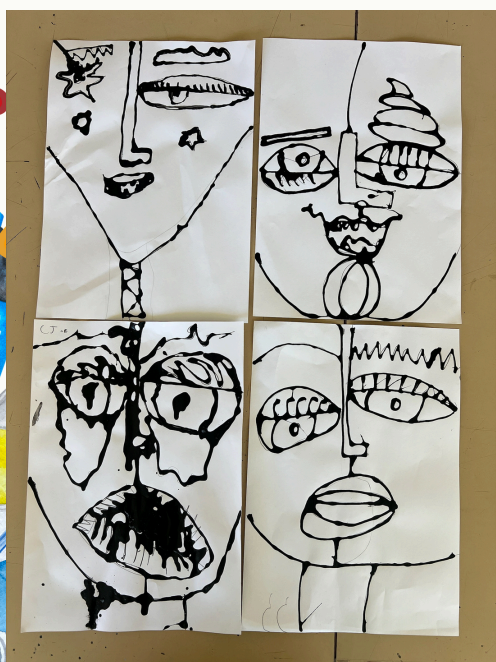

VISUAL ARTS UPDATE

Mrs Charlton

I am pleased to report that the Middles and Seniors are in the depths of creating some amazing artworks!

The Middles have looked at the works of Pablo Picasso and Sandra Silberzweig to identify colours and shapes and explore cubism and abstract portraits. They have learnt about analogous colours and are applying this knowledge to their own artworks. Grade 3s are experimenting with new techniques and materials and adding soft pastels to their work this week. Grade 4s brought their cardboard portraits to life with analogous paint last week and are playing with posca patterns this week. Senior students are deep in the 'learning pit' and using a growth mindset to draw their self-portrait. With resilience, persistence, and courage, we are seeing some beautiful likenesses and students realising they in fact 'CAN DO IT'. I can't wait to share the finished results with you soon.

PERFORMING ARTS

Mrs Stodden

PREPS

The Preps have had a few weeks in Performing Arts now, and they have settled into class routine quite nicely. They have been learning about what Performing Arts is all about and the different instruments that we can play with our hand. The first week was about exploring sound, soft (piano=p) and loud (Forte= F) and knowing when to stop playing. Here you can see some Prep students from P16 and P18 using a range of percussion instruments to make different sounds (p and F).

Click here to
watch a video
of our Prep
students
in Performing Arts

[Click Here](#)

[CLICK HERE](#)

For the last couple of weeks we have been learning how to echo and chant back lyrics to an indigenous song called Ngaya Naba - which means "family". Students were given claves to use to play along with the beat. Here is a little snippet of P17, using them. I can't wait to see what else they can do throughout this term.

PERFORMING ARTS

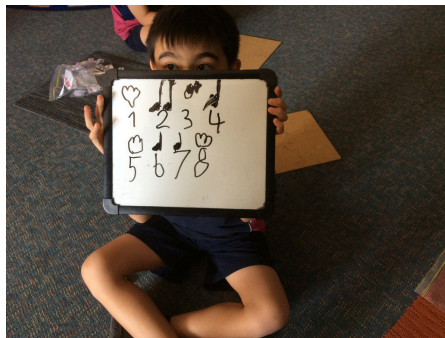

Mrs Stodden

JUNIORS

This term, the Junior students have been learning about rhythm and pitch and keeping the beat. We have been exploring music notation using icy pole sticks to show long and short notes and demonstrating high and low pitch with our voices and percussion instruments.

Last week we used our knowledge of rhythm to create a 2 bar body percussion piece. The Year One students used action cards of stomp, pat, clap and click to demonstrate long and short notes and some Year Two students even gave it a go to draw their own percussion cues.

Click below for some terrific video's of our Junior students.

KINGSLEY PARK PRIMARY NEWSLETTER

WHAT'S BEEN HAPPENING

Dear Families

We have been very busy, we celebrated Teddy Bear Picnic, World Wildlife, and Pancake Day. We finalized our clubs for Term 1, focusing on Cooking, Gardening and Art Club.

Over the coming weeks we will continue to deliver our Community Club project, the children have been working on our TeamKids tree proudly displayed in our foyer. We plan to create a community recipe book; we would love all parents to email (see below) your traditional/favorite family recipe to be added to our recipe book and commence planning our Harmony Party.

'As we say at TeamKids 'Let the fun begin!'

Kind Regards Audrey Bagshaw (DOS)

STUDENT AWARDS

WEEK 4

(P16) Christopher P

For consistently showing kindness towards your classmates. You enter our classroom enthusiastically with a beautiful smile and it is so lovely to see!

(P17) Porsche

For being such a beautiful listener when sitting on the floor and learning about our letter sounds. It is lovely to see you enjoying learning so much!

(P18) Leo M

For always putting your hand up before you speak during floor time.

(J8) Curtis D

For always showing respect in the classroom by listening, giving his best effort and being a calm and kind classmate. I'm very proud of you!

(J9) Alex B

For respecting our classroom by looking after resources and keeping your learning space neat and tidy. We are lucky to have you in J9!

(J10) Kai D

For always showing kindness to your teachers and peers. You are a wonderful member of J10!

(J11) Indi P

For showing fabulous listening skills, polite and lovely manners with a cheerful smile for everyone! Fabulous, Indi!

(J12) Tristan K

For always showing excellent listening skills during learning time! What a star you are, Tristan.

(J13) Curtis L

For looking after our resources, always listening to others and trying his best. I'm so proud of you!

(M5) Audrey O

For her outstanding ability to always show the utmost respect for everyone in her classroom. She follows all the Kingsley values and is a truly considerate person!

(M6) Cobie C

For showing great kindness by helping a classmate with his learning. Fantastic!

(M20) Jayden P

For always showing respect while learning and playing. Your kindness, patience and focus make you a wonderful role model and an exceptional Kingsley Kid. Keep shining!

(M22) Allaria G

For always listening respectfully and showing kindness to her peers. You are a joy to have in M22!

(M23) Sonny M

For showing great focus and determination in the classroom. I am so proud of your focus and efforts this week, Sonny. Keep up the fantastic effort!

(S1) Imogen A

For being patient and kind towards others. You set a fantastic example for all your peers. Well done Imogen!

(S2) Lukas B

For demonstrating wonderful kindness towards others. You are a fabulous Kingsley Kid, it's lovely to see your caring nature shine through!

(S3) Xavier N

For always being a hard working and respectful member of S3. You have made a great start to your new school!

(S4) Mackenzie H

For always showing care & kindness for others, being Respectful at all times and being an 'Awesome' Kingsley Kid. Well done Mackenzie!

SPECIALIST AWARDS

PHYSICAL EDUCATION - Harry G (J13)

For playing games fairly and encouraging others to do their best. You are such a great sport Harry!

VISUAL ARTS - Asher A (S4)

For your courage to tackle a challenging drawing task and your focused learning. Well done!

VISUAL ARTS - Riley H (M23)

For your willingness to try a challenging task in Visual Arts and approach it with positivity!

STEM - CJ (M6)

For being respectful to others while showing initiative when completing a STEM activity.

STEM - Makayla D (M23)

For behaving in a very respectful manner whilst completing work to a high standard in STEM.

STEM - Oliver F (J13)

For your amazing listening skills and showing respect. What a pleasure it is to have you in my STEM classes each week. You're a superstar!

KINDNESS AWARD

Zoe G (J12)

For missing library time to help out a classmate. What a kind and wonderful friend you are, Zo Zo!

Survival Skills

Why This is a Game-Changer

- **Confidence:** Overcome physical and mental challenges, proving personal strength.
- **Resilience:** Learn to adapt, stay focused, and push through obstacles.
- **Endurance:** Discover the power of perseverance and mental fortitude.
- **Connection:** Form lifelong friendships and strengthen teamwork skills.
- **Nature:** Experience the benefits of outdoor adventure for mental and emotional well-being.

JUNIOR

8-12yo

A beginner-friendly experience designed to introduce outdoor adventure.

TEEN

13-17yo

A more immersive challenge focusing on endurance, teamwork, and leadership.

SCHOOL CANTEEN

The school canteen is open on **Monday & Friday weekly**, unless otherwise advised.

Orders can be made conveniently via the **QKR App** until **8:45am** on the lunch order day!

Please be mindful though as the App often gets congested at peak times!

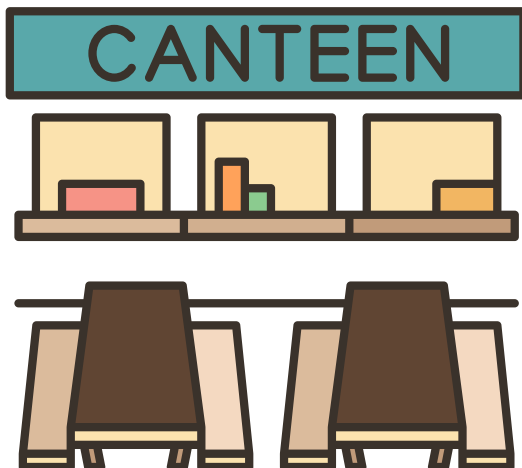

Any questions or allergy related information can be provided by **Leigh Simpson**, our amazing Canteen Manager.

Please contact Leigh on
0407 823 799.

Volunteer helpers are needed each **Monday and Friday** in the canteen. Please contact Leigh to offer your assistance.

Respect Excellence Resilience Co-operation Community

THE KINGSLEY PARENTS GROUP (KPG)

The Kingsley Parents Group (KPG) is a very important group within our community. Interested parents, carers, grandparents and friends try to meet once each month and are always welcoming new friends to join.

The KPG are a communication link between the community as a whole and the school.

The KPG is a social body, bringing together the parents of the school in social activities, to connect and chat and get to know familiar faces.

The KPG has a fundraising role. Under its umbrella comes various fundraising opportunities and activities such as Easter Raffles, Mother's Day and Father's Day stalls and of course the ever popular sausage sizzles!

**Please consider volunteering, because
without you there is no KP Group
..... but with you,
we can all achieve so much!**

2025

Why should I volunteer ?

- It's a great way to meet other parents or catch up with a friend!
- Your child will LOVE seeing you involved at school and as part of all the exciting events we have!
- You will be demonstrating to your child that you value their school, education and community – a key ingredient for student success!
- Great role modelling for your child – there is always time to help out!
- Volunteering is great for your mind and body (google it!) and gives you a warm fuzzy feeling!

Please contact the school office if you would like to know more!
