See page 2 of newsletter for some **IMPORTANT** information !

Dear Parents,

18th May 2017

Last week our Year Three and Year Five children sat for the National Assessment Program – Literacy and Numeracy (NAPLAN) tests. The children participated in tests in Reading, Writing, Language Conventions (spelling, grammar and punctuation) and Numeracy.
Questions were in multiple choice format or required a short written response for all tests except the Writing test, where children wrote a continuous text.
NAPLAN is not a test of content. Instead, it tests skills in Literacy and Numeracy that are developed over time through the school curriculum. We treated NAPLAN test days as just another routine event on the school calendar. We continually reassured our children that NAPLAN tests were just one part of their school program, and urged them to simply do the best they could on the day.
NAPLAN tests are one aspect of our assessment and reporting process, and do not replace the extensive, ongoing assessments made by teachers about each child's performance. We receive the results much later in the year. The children should all be very happy with how they approached the NAPLAN assessments and we will inform the parents of results when the are returned later this year.

LUNCHTIME ART

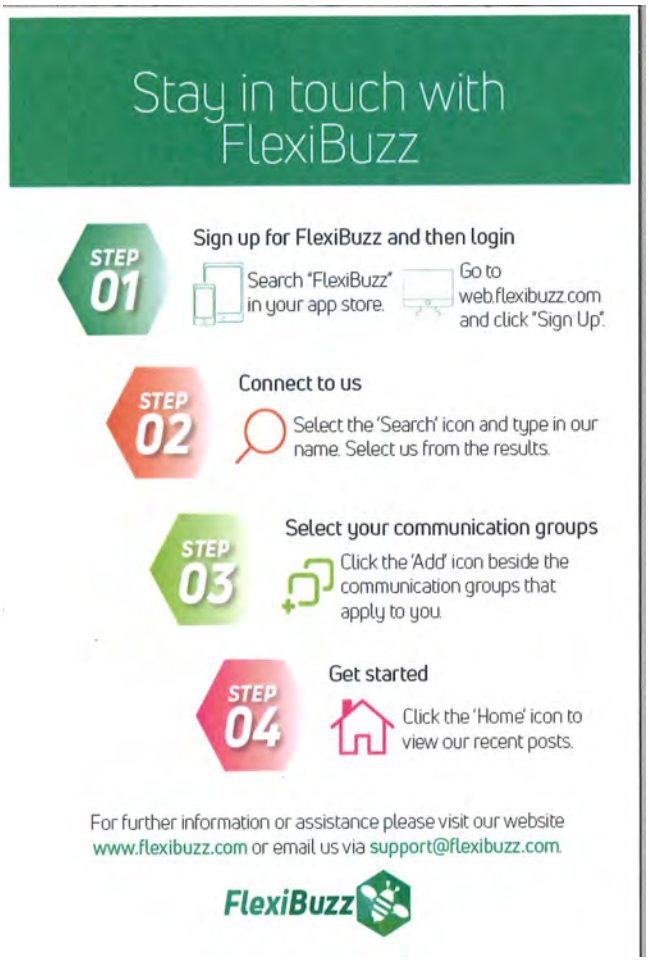

What a fantastic effort. Thank you for all of your support brining in your plastic bottle lids. With a lot of hard work and time, the Year 5 and 6 students have nearly completed the recycling tree. We are still in need of a **few more pink and purple lids** to complete the piece.

Tiqbiz has now officially rebranded to Flexibuzz. Parents will notice changes to the name, logo and other content on the app, desktop site and website over the next few weeks as the changes are completed. To stay up to date with Kingsley Park news, please ensure your app is updated during this process.

DON'T FORGET:

Have you changed your address, medical details or phone numbers recently? If so, it is vital that you provide updated details to the school.

Have you found us on FaceBook?

Thanks to our wonderful KPG, we were able to purchase $1500 worth of new take home books at the end of last year. These books have now been added to the take home boxes in the Prep, 1 and 2 classrooms. It is important that we take care of our resources, as they can be expensive to replace. Every year we lose a large number of take home books. This means that there are often not enough books to go round and children are having to read the same book multiple times. We would appreciate it if parents could help with this by ensuring that books are being returned to school. We understand that sometimes things can get mixed up so would also ask our families to regularly have a look through their shelves at home for any books with the Kingsley Park stamp. If you find any, please return them to your child's classroom teacher so that we can get them back into circulation.

Term 2 Breakfast Mornings

We invite our children to participate in the Breakfast Club for the term. The dates for this term are listed below.

Breakfast Mornings run from
8:00am to 8:30am in the School Hall.

Parents are asked to bring children participating in the breakfast to the hall. Teachers will be supervising children and serving the breakfast. Parent helpers are most welcome. We encourage children to participate in this whole school program to promote a healthy start to their school day.

Tours are being held now!
Enrolments for 2018 are being taken now.

Kingsley Park conducts regular school tours most Thursday mornings. Please call the school on 9789 0077 to book in for a tour time.

This fortnight's focus is
Getting Along

Getting along means working well with teachers and classmates, resolving problems peacefully and contributing positively to the community.

I can get along with other children, teachers and people in the community.
When I am getting along:

- I am a positive role model to people around me.
- I show generosity and kindness.
- I interact with people and show them respect.
- I am helpful.
- I demonstrate the best way to be a good friend, in the classroom and in the playground.
- I am a friend to someone if they are alone at school.
- I show manners wherever I go, especially when in school uniform.
- I take pride in who I am, a Kingsley Park Kid.

Parent Feedback / Questions

We aim to please so would love more feedback on how we can improve. There are feedback forms that you may complete at the office, these can be placed in the red letterbox labelled Parent Feedback.

Are the new uniform tops mandated as of 2018?
Response: Although we are adding new tops to our uniform supplies, along with new style jumpers/jackets, parents do not need to discard old styled uniform. We don't wish to waste your money. Any school uniform can be worn until the wearers grow out of it, it may also be passed down to siblings for wearing.

Some parents are allowing their children to play with and climb on the trees outside the music room area after school—please look after our trees.
Response: Thanks for bringing this to our attention. Lots of love and care has gone in to fixing up that garden area and the poor lemon tree inside the tyre is being ruined. Please keep children off the trees and help look after our gardens.
Please drop us a note, we would love to hear your thoughts and help make Kingsley Park the best it can be for our students.
